Prince Officiates At Launching of Largest Empress

Canadian Pacific Railway's Greatest Vessel Takes Water at Clydebank in Presence of Notable Assembly, Including President E. W. Beatty, Who Gives Spirited Address on Commerce

Greater Empire Trade Stressed in Speeches

GLASGOW, Scotland, June 11.—Many thousands throughout the world heard the voice of His Royal Highness the Prince of Wales this morning, when, speaking at a luncheon, after he performed the launching ceremony of the new 42,500-ton Canadian Pacific liner Empress of Britain, the Prince made his first speech to be transmitted across the Atlantic and broadcast to every part of the British Empire.

"The construction and launching of the Empress of Britain is an event of much importance in British and Empire shipbuilding, and I feel proud of the honor that has been conferred upon me in being asked to officiate on this very auspicious occasion," the Prince said, "especially when it is something that so much concerns the Dominion of Canada—not only because I am master of the British merchant navy, but because I have very closely at heart all that concerns the Dominion of Canada."

WONDERFUL IMPETUS

Referring to the C.P.R. boat building programme in England and Scotland since the war, the Prince said the programme had given "a wonderful impetus and a great deal of badly needed employment in the arts, trades and occupations associated with ship building."

The Prince asked his audience to give all thought to the early pioneers and Empire builders of the C.P.R. spanning a continent with the line of steel, driving relentlessly through from ocean to ocean.

THE LAST SPIKE

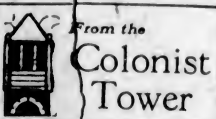

"There comes to our mind the last spike driving at Craigellachie, by which the Confederation of the Dominion became a living reality and nations such as Mount Stephen, Shaughnessy and Van Horne cannot be far from our thoughts in speaking to this toast today," the Prince continued. "The company's growth is probably unsurpassed in the annals of industrial enterprises, and its reputation today is worldwide."

Assize's Premier Has Provoked Canadians

PRESTON, Ont., June 11.—"I admit Premier King has done nothing to provoke Washington, but he has provoked hundreds of thousands of Canadians who rightly feel that Canada is a nation and not the hinterland of the United States," said Hon. R. J. Manion, of Fort William, at the nomination meeting of Alex. Edwards for South Waterloo, here tonight.

Dr. Manion termed the ninth year of Premier King's rule "the worst since the Liberal Government came into power." Business stagnation and unemployment prevailed to an extent never before experienced, he charged.

Cone in Central Crater of Etna Is Threatening

CATANIA, Sicily, June 11.—Professor Ponte, director of the Etna Observatory, today announced that the central eruptive cone in the central crater of Etna was again threatening, after having been inactive since 1918. Billows of smoke have been emerging from the cone, but it has not been possible to determine whether an eruption will follow. The central crater has become enlarged and is in the course of transformation.

EXPLOSIONS ADD TERROR TO BAD FIRE

Texas Company's Refining Plant at Port Arthur Is Scene of Conflagration

INJURED MEN
SUFFER BURNS

PORT ARTHUR, Texas, June 11.—Fire, believed to have originated in an agitator, caused damage estimated at \$500,000 to the Texas Company refining plant here this afternoon, and burned twelve men, several perhaps fatally.

The fire started at 4:30 p.m., following an explosion which shook houses within a radius of a mile. Several minor explosions followed the major one at thirty to forty minute intervals. The blaze rose to a height of 200 feet and white huge clouds of black smoke could be seen for miles.

While the blaze was apparently under control tonight, sporadic flames could be seen leaping high into the air.

According to employees several men were at work in the agitators when the explosion occurred. Twelve men were taken to the hospital, and it was reported there were others injured. One report being that as many as thirty-five had been burned, several perhaps fatally.

Mr. Ladner Nominated In Old Seat

VANCOUVER, B.C., June 11.—Mr. Leon J. Ladner, who has already served the constituency three terms, was chosen unanimously to carry the Conservative banner for Vancouver South in the approaching Dominion election, at a crowded meeting in Maple Hall, Vancouver, tonight.

Only one nomination was received, this being proposed by Mr. W. F. Blair, and seconded by Mr. W. F. McIntosh. It was carried without a dissenting vote. The hall was crowded to the doors by a representative gathering from all parts of the constituency.

Among the speakers were Hon. H. H. Stevens, Mr. J. W. Cornett, M.P.P., South Vancouver; Mr. R. Rutledge, M.P.P., Burnaby; Mr. Charles E. Tisdall, Mrs. Angus McLean, Point Grey, and Miss Kate Morrison, South Vancouver.

Orlebar, centre, top, holder of the world's airplane speed record of 358 miles an hour; the engines used by Britain in the seaplanes that won the Schneider Cup last year; Sir Esme Howard, right, former British Ambassador to the United States, who has been raised to the peerage.

Assize Jury Finds Charles Oliver Not Guilty of Assault

(Canadian Press)

VERNON, June 11.—It took less than twenty minutes for an Assize Court today to bring in a verdict of not guilty against Charles Oliver, son of former Premier John Oliver, charged with assaulting Dr. V. E. Latimer in Penikese on November 25 last. It was almost a forgone conclusion, following the address of Chief Justice Morrison to the jury, that Oliver would be acquitted, and a murmur of satisfaction ran round the packed courtroom when the verdict was given.

In addressing the jury, his lordship said, "The first thing you must consider is, was Doctor Latimer assaulted and who assaulted him? What evidence is there to show that the accused had anything to do with the assault? The evidence, if there is any, is only inferential against the accused."

CAUSE OF TROUBLE
His lordship also pointed out that the cause of the trouble came during the absence of Oliver in the Old Country, and consequently, it might be expected Dr. Latimer would be thinking of Oliver continually. "But why pick on one man when three men were in a certain car when the assault is alleged to have taken place?" his lordship asked.

Mr. J. F. Guimont Liberal Nominee In East Kootenay

CRANBROOK, B.C., June 11.—At a monster nomination convention tonight, Mr. J. F. Guimont, Canadian Pacific Railway dispatcher, was nominated for the East Kootenay riding in the Dominion election by the Liberal interests.

The riding has been represented by Hon. J. H. King, who was appointed to the Senate.

DEFATION IS DUE TO START

Long - Expected Problem Presented by Condition in Industrial Germany Comes to Crisis

PRICES AND WAGES ARE CUT

By EDGAR ANSEL MOWBRAY
(Copyright, 1930, The Chicago Daily News Foreign Service.)

BERLIN, Germany, June 11.—The action of Labor Minister Adam Stegerwald in declaring obligatory the decision of the labor arbiter, whereby wages in the Northwestern group of German steel producers are reduced by 7 1/2 per cent, apparently starts that deflation which has long been awaited here.

Magnates have promised to reduce prices to a greater extent than the wage reduction. Here lies a crucial point. Under the completely uncoordinated system of trusts and cartels which dominate Germany, it is not possible to reduce prices to a greater extent than the wage reduction. Here lies a crucial point. MAY HOP OFF ON FLIGHT TOMORROW

DUBLIN, June 11.—Another day's delay in the start of the Southern Cross on its transatlantic flight was announced today by Captain Kingsford-Smith. He said he hoped to take off Friday.

"I am very depressed by the delay," he said, "but it would be foolhardy to dash off to merely hope. No risks will be taken in this flight, and although there still is a slight chance of the weather improving by Thursday, we must go now as we can get no better."

Associated Boards Of Trade To Meet July 9 and 10

COURTENAY, June 11.—This year's annual meeting of the Associated Boards of Trade of Vancouver Island is to be held here July 9 and 10, when the Courtenay and Cumberland boards will be joint hosts to delegates of other island boards. A committee, consisting of Messrs. Wallace McPherson, A. B. Hall, Charles Simms and P. L. Anderson, is to meet the executive of the Cumberland board at once to make final arrangements.

WILL OPPOSE MR. STEVENS ON MAINLAND

Capt. Ian Mackenzie Unanimously Chosen by Vancouver Liberals as Federal Candidate

NOMINEE UNABLE TO BE PRESENT

VANCOUVER, B.C., June 11.—Captain Ian Mackenzie, M.P.P., will carry the Liberal banner in Vancouver Centre in the Dominion election of July 28 next. Amid great enthusiasm the prospective Federal cabinet minister was the unanimous choice of the Vancouver Centre Liberal nominating convention in Moose Hall tonight.

Sickness prevented Captain Mackenzie from attending the meeting, but a letter from him was read by Mr. Gordon Sloan, who presided, in which Captain Mackenzie declared his intention of doing anything he was asked to further the Liberal cause in the coming Dominion election. This was taken as his acceptance of the nomination.

Mrs. Smith, Mr. McGeer and Mr. Farris addressed the meeting, in behalf of the newly-nominated candidate.

TO CONTEST CLAIM

VANCOUVER, June 11.—Damage claim of \$14,864 preferred by Ramsay Bros., biscuit manufacturers, against the city, for losses sustained when a water main under Hastings Street was burst, will be contested by the city solicitor, the city council ordered Wednesday.

Installed in 1902, the main served with satisfaction until recently, when the break occurred, the city engineer reported.

Congratulatory Message From Mayor Read at Launching

GREETINGS of Mayor Anscomb, on behalf of the Capital City of British Columbia, in a congratulatory message addressed to Mr. E. W. Beatty, K.C., were read by the president of the great railway corporation at the launching of the Empress of Britain at Clydebank yesterday. A radio hook-up broadcast the world. The Mayor's message read as follows:

"Victoria, the Capital City of British Columbia, sends you hearty greetings on the celebration of another milestone in the history of your world-encircling transportation company by the launching of the Empress of Britain. May every success meet your efforts."

OIL TANKS BLAZE IN FIERCE NIGHT FIRE AT WINNIPEG

Vetcraft Shops of Soldiers' Civil Re-Establishment Department Are First to Go—Raging Furnace Amid Tanks of Oil Companies Calls for Services of Every Fireman in Prairie City

Terrified Residents Move Furniture Beyond Danger Zone

WINNIPEG, June 11.—Lighting the city like day, tongues of flames leaped skyward, fires in the northwest section of Winnipeg early this morning had caused hundreds of thousands of dollars of damage, and still raged unchecked. They are believed to be of incendiary origin. The first fire, just at midnight, destroyed a large warehouse at the corner of Myrtle and Winnipeg Avenue, housing the Vetcraft shops, operated by the Soldiers' Civil Re-establishment Department.

CALEDONIAN PAPER CO.

A few minutes after it had been checked, flames broke out in the lumber yards of the Caledonian Paper & Box Company, a half-mile distant. The yard was soon fire-swept, and the flames spread to the yards of the British American Oil Company and the Prairie City Oil Company. Huge tanks of oil exploded and flames jumped 200 to 300 feet in the air.

Answering a general alarm, firemen from all halls in the city were soon at the scene, under the direction of Chief H. Boulton. Huge clouds of smoke rolled from the oil tanks and the intense heat drove fire fighters back as a strong southeast wind fanned the flames.

FIRE OUT OF CONTROL

At 2:30 o'clock this morning the fire still was beyond control and threatening to spread to warehouses and residences in the district.

"Timber valued at \$350,000 stacked about fifty feet high and spread over a radius of a city block, was destroyed."

Seventeen tanks of crude oil, containing thousands of gallons, owned by the British American Oil Company, were threatened, and expected to explode at any minute.

Fearing the flames would spread to their houses, residents in the vicinity of the oil warehouses were removing their furniture and seeking places of safety.

At 1:05 a.m. the fire had spread to the Prairie City Oil Company storage plant, adjacent to the British American Oil Company. Huge tanks exploded in rapid succession, flames shot 200 feet to 300 feet in the air. So intense was the heat that firemen had a difficult time setting near the blaze.

WORST FIRE OF YEARS

"It's the worst fire we have in years," Fire Chief Boulton declared.

At least five large oil tanks ablaze at 2 a.m.

The office and storage warehouses of the British American Oil Company are now ablaze, and the flames and heat are threatening many large oil storage tanks of the company.

Every available fireman in the city has been called to the scene, and police reserves have been called to aid in the fire fighting.

Shortly before 3 o'clock firemen believed they had the flames in check. Though the fire raged furiously, the tanks of the British American Oil Company were reported out of danger.

REMODELING OF PREMISES WILL BEGIN

Bank of Montreal and Royal Trust Co. to Share Premises at Government and Bastion Streets

WILL SERVE AS DOWNTOWN BRANCH

Reverting to its use as a site for banking premises after a brief interval, the old Bank of Montreal block on Government Street at Bastion Street, which has until recently been the premises of the British Columbia Bond Corporation, will be reconstructed immediately for the branch of the Bank of Montreal, which that bank will open downtown.

A building permit was issued yesterday to Messrs. Parfitt Brothers, to carry out the plans of Messrs. Honeyman & Curtis, architects, for the twofold object of providing accommodation for the bank branch, and for the offices of the Royal Trust Company. The cost will be about \$60,000.

WALLIS AND MACKENZIE ACQUITTED

Trial in Assize Court Comes to Sudden and Dramatic End—No Proof as to Who Got Money

ADJOURNMENT TO MONDAY IS MADE

Unexpected testimony given by a witness for the prosecution caused the acquittal, in the Assize Court yesterday, of Stanley E. Wallis and Donald J. MacKenzie, and brought their trial to a sudden and dramatic end. So far as MacKenzie was concerned, the evidence given against him had already been subjected to cross-examination by Mr. W. H. M. Haldane. In this case Mr. Stuart Henderson acted as counsel for Wallis only, and Mr. Haldane appeared for MacKenzie. Following the verdict Mr. A. M. Johnson, K.C., appearing for the Crown, asked for an adjournment of the court until Monday. In addition to the series of cases with which Wallis is connected there were, he said, certain other cases to come before the court, and he desired time for their preparation. In addition to that, because of several reasons, he wished to consider the position with regard to the remainder of the Wallis cases. Mr. Johnson's statement was regarded as in-

dicting the possibility that the prosecution may decide not to go on with the remaining cases involving others with Wallis.

Mr. Justice Gregory granted the request and adjourned the court until next Monday.

THE CHARGE

The charge against Wallis and MacKenzie was that on August 27, 1929, they had obtained money by false pretences from James Forman (Victoria) and the purchase of a MacKenzie, of a White truck; also that this agreement stated that MacKenzie had paid \$1,500 in cash on the truck and had the car in his possession. It was further alleged that the agreement was not bona fide and that the statements in it were false. MacKenzie not having the car in his possession, not having paid any money on it, and never having intended to purchase it. Wallis, the particulars of the charge stated, had presented the agreement to Mr. Forman to be discounted and had received on it from Mr. Forman the sum of \$2,000.

Mr. H. P. Hewlett, accountant for Henderson & Forman, was called as witness by the prosecution. For some years Mr. Forman had been doing business with Mr. W. H. M. Haldane, who was manager and owner of Consolidated Motors (Victoria), and had been discounting for him conditional sales agreements of the kind which the agreement in question purported to be.

WHAT MACKENZIE SAID
The Crown then put in evidence two other conditional sales agreements signed by Mr. Forman for Wallis. These bore dates of November 14, 1928, and July 30, 1929, respectively. The witness, last April, had interviewed MacKenzie with regard to the agreement in question. MacKenzie had told him that he (MacKenzie) had been negotiating with Wallis for the purchase of a White truck, and Wallis had told him that in order to get the truck shipped to Victoria it would be necessary to show that he (MacKenzie) had an actual sale in prospect. Wallis, he said, had asked him to sign the agreement in order to do this. MacKenzie had subsequently decided not to buy the truck, he stated to witness.

MacKenzie had further told witness that the purchase of a Hupmobile sedan had been discussed on a previous occasion, before taking it out for a drive with a friend, he had similarly signed an agreement of sale, but after the drive had decided not to take it.

CROSS-EXAMINATION
Cross-examined by Mr. Haldane for the defence, witness said that MacKenzie was in the trucking business.

Mr. Haldane—People in that business require to buy trucks?

Witness—Yes.

Mr. Haldane—So that when he said that he had intended to buy this one, that was quite within the bounds of probability?

Witness—Yes. I should think so.

Mr. Haldane—He said Wallis told him it would be necessary to have the agreement signed before Wallis could get the truck here. It was reasonable on the part of MacKenzie to do that, was it not?

Witness—I would not say so.

Mr. Haldane—Before the firm would ship a \$4,400 truck to Wallis, it would be reasonable on their part to want to know that Wallis had an actual purchaser in view, would it not?

Witness—I do not know what MacKenzie might have thought.

Mr. Haldane—It is nearly a year since this agreement was signed. Have you had any since signed by MacKenzie?

Witness—No.

Witness further admitted that no notice of the discounting of the agreement had been sent to MacKenzie, or any notice as to payments due, and there had been no communications with reference to it with MacKenzie, so far as witness knew, until witness had interviewed him.

Cross-examined by Mr. Henderson, witness admitted that, although Consolidated Motors had signed the agreement on the back of the agreement, they had not signed the agreement itself, and the agreement was not sealed.

WHO DID IT?
Mr. James Forman was called to testify as to the discounting of the agreement. He said that he had been discounting agreements for Wallis for several years. Sometimes Wallis would bring the agreement and get the cheque in payment, and sometimes it would be Emerson. Both of them on behalf of Consolidated Motors had dealt with him. What had induced him to discount this agreement was that he had believed it to be a genuine agreement for the sale and purchase of a car.

Mr. Johnson—Was it brought to you by Wallis or by Emerson?

Witness—I think it was Wallis.

Mr. Johnson—Who did you hand the cheque to?

Witness—Either Wallis or Emerson. I cannot remember which.

USELESS TO GO ON
The court—Mr. Johnson, if there is no evidence that the cheque was given to Wallis, can you go on to prove this charge?

Mr. Johnson—The witness can only say what he knows.

The court—The witness is evidently extremely anxious to tell only the truth. But if he cannot say who the money was paid to, how can you go on?

Mr. Johnson—There is no use in going on if Your Lordship is not satisfied that the evidence connects Wallis with the payment of the money.

This agreement was discounted for Wallis.

The court—But witness does not say it was Wallis, and, if it was Emerson, you would have to prove that he was authorised by Wallis. As the hour was then near 1 o'clock, the court was adjourned.

until 2:30 o'clock to allow time for consideration of the situation.

When the sitting was resumed, Mr. Johnson said that, in view of the evidence given by Mr. Forman, and as the Crown had no further evidence to offer concerning the payment of the money to Wallis, who was accused of obtaining it, he would suggest that the case be withdrawn from the jury.

Mr. Henderson—The defendants are entitled to a verdict of not guilty.

The court—That is my opinion too. The jury should bring in a verdict.

The jury did, on the instruction of the court, without leaving the box.

The court then discharged MacKenzie from custody with a serious warning.

Mr. Johnson said that he would ask for an adjournment until Monday. He had to make inquiries with regard to other cases which were to come before the court and which were not part of the Wallis series. He also wished for time to consider the position with regard to the further cases in which Wallis was charged jointly with others. Various considerations made this desirable.

The court adjourned until Monday morning.

WITHDRAWAL OF OBJECTIONS TO BE SOUGHT

Medical Liberty League Asks That Charges Against Drugless Healers Should Be Dropped

DR. A. W. PASKINS IS SPEAKER

Two important resolutions were passed at last night's meeting of the Progressive Thought Temple by members of the Medical Liberty League. The principal of these read as follows:

"Whereas it was clearly stated in the 12th session of the Legislature of British Columbia that there was no desire or intention of prosecuting drugless physicians; and whereas the Legislature properly to organize and regulate drugless physicians has been promised at the next session of the Legislature;

"And whereas the electorate of British Columbia has certainly expressed its desire for such legislation;

"It resolved that Hon. R. H. Pooley be requested to use his influence to have the charges, now pending against drugless physicians, dropped, together with any future charges which may be laid."

A further resolution demanding medical liberty, on a basis of religious freedom, with the same guarantees, was also passed.

DR. PASKINS SPEAKS
Dr. A. W. Paskins, introduced by Alderman E. S. Woodward, who took the chair at the meeting, said that Dr. A. W. Paskins was the first to be singled out for "orthodox medical persecution."

Dr. Paskins briefly traced the history of medicine, which, he said, originated with black magic, witchcraft, and love philtres, and which had its modern parallel in money medicine, with its face-lifting, its cutting and stitching, and its amputation—nothing, in fact, but a riot of commercialized butchery.

At the conclusion of Dr. Paskins' address, Alderman Woodward pointed out that by supporting the views of the speaker, the audience, which packed the building, to the doors, would be fostering the principles of British liberty.

ODD FELLOWS PARADE TO THE CENOTAPH

The procession was formed to the back of the L.O.O.F. Hall, where they disbanded.

Last evening Odd Fellows' delegates attended a meeting of Columbia Lodge No. 2, and then Rebekah and Odd Fellows' delegates attended a concert and dance at Shrine Temple. During the afternoon delegates were also entertained with a drive to Burchart's Gardens.

Following is the programme for today:

9 a.m.—Adjourned sessions of Grand L.O.O.F. Lodge and Rebekah Assembly.

1 p.m.—Adjourned sessions of Grand Lodge and Rebekah Assembly.

2 p.m.—Regular meeting of Dominion Lodge, No. 4, L.O.O.F.

9 p.m.—Grand ball in Shrine Temple, grand march to be led by Patriarch Millard.

ATTEMPT TO BREAK ENDURANCE RECORD

SEVILLE, Spain, June 11.—Lieutenant Carlos Hays and Captain Cipriano Rodriguez took off today from the Tablada air field in an attempt to break the world endurance flight record over a closed circuit. It will be their third attempt to surpass the existing mark.

The flyers are using a Breguet machine similar to the Jesus del Perdon, in which Captain Rodriguez and Captain Hays flew over the Atlantic.

AERIAL WAY USED TO AWE TRIBESMEN

Fierce Northwestern Frontier Hillmen Tamed by Assault From Air on Stronghold

USE TELEPHONE TO DEFEY LAW

BOMBAY, June 11.—An aerial warning without bombs was given the civil resistance forces in the Punjab today, following upon the decision of leaders of Mahatma Gandhi's campaign to strengthen their right against payment of land taxes. Inhabitants of two villages near Lahore telegraphed the Punjab Government they would pay no revenues unless the punitive police there were withdrawn, and the punitive tax abolished. Authorities sent an army airplane to circle the villages, while three armored cars and foot troops showed an evidence of strength on the ground.

AEROPLANES VALUABLE
The Government has broken up most Indian disorders by the sticks of police, firearms being used only where those in charge considered it necessary. But the aeroplane has been reserved for those who become too menacing, and observers in the northwest say it has a remarkable chastening effect on the fierce tribes of that area, who are splendid warriors against anything on the ground but powerless when attacked from the air.

TRIBESMEN ATTACKED
A bombing expedition disastrous to the Afghan forces of the Hajj of Tourangal in the hills beyond Peshawar, in which heavy casualties were inflicted by British air, was the day's active news.

Evidently the tribesmen were dispersed by the British bombs and machine gun fire. During the day headlines of Captain Usman Khan came from the rocky country and asked for a parley, nothing was heard from the Hajj's followers.

Communal disorders were reported today from the Dacca and Calcutta areas.

RACIAL OUTBREAKS
Trouble began at Dacca when a number of Moslems today attacked Hindus in the Calcutta district, when an officer fired on a Moslem mob yesterday. The trouble was said to have begun when Moslems took some fish owned by Hindus.

Another riot in the Dacca area last night at Nabajpur started when Moslems attacked a lumber yard owned by a Hindu.

One Moslem was killed at Panchganga in the Calcutta district, when an officer fired on a Moslem mob yesterday. The trouble was said to have begun when Moslems took some fish owned by Hindus.

KERSHAW CASE DATE IS FIXED

PRELIMINARY HEARING TO BE ON SATURDAY—COUNSEL ARE AGREED

James Roy Sentenced in City Police Court to Six Months on Forgery Charge

Preliminary hearing of John Kershaw, charged with theft of cash and cheques from the Sisters of St. Ann, was definitely set for next Saturday by Magistrate George Jay in the city police court, yesterday.

Hearing of this case had been adjourned on several occasions because the presence of counsel for the defence has been required at the Assize Court in connection with trials there, but assurance was given the magistrate that no further adjournment would be asked for.

Mr. W. C. Moresby, K.C., who is watching the case in the interests

of Miss Rita Vaughan, urged that the hearing be expedited. Miss Vaughan, who was given suspended sentence in connection with the same offence, and who is to be a witness when the charge against Kershaw is heard, is being detained at police headquarters, he said.

Miss Vaughan, it is understood, has remained in charge of the police by her own request.

James Roy pleaded guilty to a charge of forging the name of John Baboo, to a pension cheque. Detective Marcus Phillips told the court that Roy had entered Baboo's house and stolen the cheque, which he had subsequently cashed. Roy, against whom a previous conviction was recorded, was sentenced to six months with hard labor.

DEFATION IS DUE TO START

Continued from Page 1
Germany, the price reduction has failed to keep step with the business slump.

INEVITABLE CRISIS
Producers and particularly retailers have held to fixed prices regardless of decreases in wholesale prices, thereby reducing the consuming power and increasing unemployment. Suggestions that prices, particularly the retail, should first fall and then wages, have been met with a deaf ear.

If today the steel producers in the Northwest group really reduce prices, the fight will have been beneficial, but as the Social-Democratic newspaper Vorwaerts says, the wage reduction will stand even if the producers break their promise to lower costs.

Voices are growing ever louder demanding first that Finance Minister Paul Meißner begin to reduce governmental expenses in a serious way, and second, that something be done to smash the cartel system. It seems doubtful whether either demand will be fulfilled.

END OF DISPUTE NOW IN SIGHT

LONDON, June 11.—Movement toward the collapse of the North of England wool and textile trade lock-out has quickened during the past few days by the decision of four unions embracing workers in the raw wool section of the industry to accept the employers' terms to resume work.

Reports from Huddersfield and the Yeaman districts, however, still show that the workers are determined to offer resistance, but the feeling prevails generally that this week will see the end of the dispute.

INEVITABLE CRISIS
Producers and particularly retailers have held to fixed prices regardless of decreases in wholesale prices, thereby reducing the consuming power and increasing unemployment. Suggestions that prices, particularly the retail, should first fall and then wages, have been met with a deaf ear.

If today the steel producers in the Northwest group really reduce prices, the fight will have been beneficial, but as the Social-Democratic newspaper Vorwaerts says, the wage reduction will stand even if the producers break their promise to lower costs.

SHOWS FAITH IN SOLVENCY OF COMPANY

Officer Who Probed Affairs
of Brokers Bought Stock
Through Firm After
Arrests Made

SOLLOWAY, MILLS TRIAL CONTINUES

CALGARY, Alta., June 11.—Evidence introduced by Mr. A. A. McGillivray, K.C., leading defence counsel, to show that Mr. Frank M. Harvey, senior partner of the firm of Harvey & Morrison, who was an officer commissioned by the Attorney-General of Alberta to investigate affairs of Calgary brokers under the Securities Frauds Prevention Act, had sufficient faith in Solloway, Mills & Company to make a large purchase of A.P. Consolidated stock through the company on margin some days after the arrest of J. W. C. Solloway and Harvey Mills, featured the brokers' trial here today.

Admissibility of the ledger sheet of Mr. Frank Harvey was only admitted following lengthy argument between Crown and defence counsel. Mr. Justice Ives said that testimony arising from a private ledger sheet concerning the account of Frank Harvey with Solloway, Mills & Company would not be allowed, as Mr. Kenneth Morrison was the witness stand and it was not proper, unless a point in the present criminal prosecution was to be gained thereby, for a witness to testify regarding the private affairs of his partner.

THE PURPOSE
"Is it your purpose to show that Mr. Harvey believed in the solvency of Solloway, Mills & Company," His Lordship asked.

Mr. McGillivray—That is one purpose. Also I wish to point out that an officer selling under the Securities Frauds Prevention Act, apparently knowing of short positions held by the firm, had supreme confidence still in that firm."

Mr. Justice Ives finally ruled that the ledger sheet was admissible. Mr. Morrison then testified, under cross-examination by Mr. McGillivray, that Mr. Harvey had purchased 1,500 shares of A.P. Consolidated on January 16, 1930, at a price of \$3.25 a share.

Mr. McGillivray—He was your partner.

Witness—It was his private business. It was not as my partner that he made the purchase.

LOSS SUSTAINED
Mr. Morrison further testified that witness had sold all his shares out during February at prices ranging from \$2.00 a share to \$1.70 a share.

At this stage the defence counsel pointed out that Mr. Harvey had lost approximately \$2,000. Mr. Morrison—Well, as I said, Mr. Harvey was not acting as my partner. (Laughter).

Mr. McGillivray—You are confident in your own mind that Mr. Harvey would not use information obtained as an officer of the Attorney-General for his own business?

Witness—I am sure of it.

TELLS OF TRANSACTIONS
Mr. John Windsor, produce merchant, was the next witness, being called to tell the court of his transactions with Solloway, Mills & Company, Limited, between September, 1928, and June, 1929. He discussed his account with Mr. W. Matthews, manager, owing to the fact that with the slump in the market last June, he was required to put up more margin on his account.

Members of the company, witness said, told him that if the firm's account he would have about \$7,000 left over. This was done, he said, but the next day he was informed that instead of a credit balance there was a debit balance of \$4,800. He saw Mr. Matthews, who said he would have the account expertly audited, that there were no doubt errors.

The next day, witness said, he went to see Mr. Matthews, but he was busy, and before he could see him Mr. Matthews had left for Europe. Shortly after he left, witness said he received a registered letter stating that if he did not pay a further amount, it was necessary to be collected in other ways. Witness said he then called on his own lawyer.

Mr. Harold W. R. Riley took the stand and first described cross-examination.

COMPLAINTS LODGED
Mr. Sinclair brought out from the witness that there was a conference between Mr. Solloway and Mr. Mills and members of the exchange on

July 30, 1929, as a result of complaints lodged with the committee of management. He said he communicated with Mr. Mills, who then desired a conference. Mr. Mills' reply was read to the court, disclosing that the complaints were about an "intimacy" between the accused company and the Dominion Oil Exchange, that the transactions between the two were open to question.

The complaints, he said, were in regard to certain transactions put through on July 25, and five members of the exchange told the conference their observations.

Mr. A. G. Galbraith, president of the exchange, asked Mr. Solloway if it was true that there was a private phone between his office and that of the Dominion Oil Exchange. Witness said that Mr. Solloway replied in the affirmative, but that if there was any objection he would have it taken out, although he was willing to put a private phone in any broker's office if there was a sufficient volume of business to warrant it.

"WOULD BE STOPPED"
Early that Spring, witness said, similar complaints were received by the committee, in which the Dominion Oil Exchange and Fulton were named. Witness said that he saw Mr. Matthews, who did not know anything about it, but who called in Mr. Biry, and was apparently told that the complaints were justified, assuring witness that it would be stopped.

Mr. Riley declared that all along the exchange had been completely associated with Janshinsky, of the Dominion Oil Exchange, and the traders of Solloway, Mills & Company. The exchange members of the exchange were that they could not get in on any of the buying and selling of stocks.

TO DISCUSS TRADE ISSUES

MR. W. W. DUNCAN GOES TO
MAINLAND TO CONFER WITH
MR. DOUGLAS COLE

Desire Is to Obtain Openings for
British Columbia

Mr. W. W. Duncan, in charge of the Markets Branch of the Department of Agriculture, left last night for the Mainland for the purpose of conferring with Mr. Douglas S. Cole, Canadian Trade Commissioner, at Bristol, England, who will leave the Pacific shortly on his way East.

Mr. Duncan has some matters relative to the trade from this province to discuss with Mr. Cole, who has been most ready to render the aid he can in the bettering of conditions for trade here, and is always ready to obtain needed information.

The Markets Commissioner here is anxious to find in the English market the many openings for the products of the farms here at accessible, and has been in constant touch with Mr. Cole during his stay on the Coast in an endeavor to secure for the British Columbia his offer.

Local Druggist

An illuminated address and a silver pestle and mortar have been presented to Mr. Joseph H. Emery, manager of Thomas Shotbolt, Ltd., in recognition of his services to the British Columbia Pharmaceutical Association, president, and latterly editor of The B.C. Pharmaceutical Record, the trade organ. The presentation was made at the meeting in Vancouver, at the Board of Trade Building, on Tuesday. He has been identified with the association since its organization. Owing to the increase in his business duties, Mr. Emery has found it necessary to sever his official connection with the association's offices.

The new president will be Mr. John H. Pulton, of Victoria; the secretary-registrar, Mr. Russell H. McDuffee, of Vancouver; and the remaining officers were returned by acclamation.

JAPANESE ACQUITTED

VERNON, June 11.—Kulchi Makawa, a Japanese, charged with the manslaughter of a competitor, Kenneth Matsumoto, at the Kilton Ranch near Coldstream, on May 6, was acquitted at the Spring assizes here. Evidence showed that the accused had been violently attacked by the deceased, being awakened from sleep to find the latter hovering above the bed in the darkness, and armed with a knife.

In the struggle which ensued, the accused had used a Japanese wrestling throw so effectively as to hurl his assailant over his head, and the assailant's neck was broken by the fall.

The manager of the ranch, Mr. V. McGuire, and others testified to the reputation of the man of peaceful temperament. Also he had openly admitted the tragedy, calling in the foreman and others immediately after it occurred.

Minister Claims Discrimination In Coal Tariffs

REGINA, Sask., June 11.—Hon. J. A. Merkle, Minister of Railways, Labor and Industries of Saskatchewan, has wired Federal authorities in Ottawa alleging discrimination in coal tariffs. He claims the Manitoba market for Saskatchewan has been ruined as a result of the recent subvention.

The minister pointed out that all Southern Saskatchewan lignite was debarré from participation, and benefits go to Alberta and British Columbia mine operators.

An answering communication received by Mr. Merkle from Hon. Charles Stewart, Ottawa, said: "The Government does not consider it necessary to assist the movement of lignite into the Manitoba market."

Funeral Aid

BENEFITS PAID TOTAL \$35,500

Mr. E. C. Turner, of New Westminster, was re-elected president of the I.O.O.F. Funeral Aid Association at the annual meeting held yesterday afternoon, in connection with the fifty-sixth annual Grand Lodge meeting of the Odd Fellows Order.

Mr. M. J. Phillips, of New Westminster, was elected vice-president, and Mr. D. E. McKenna was elected secretary, succeeding Mr. W. C. Coatham. Mr. S. C. McDuffee, of Vancouver, was elected treasurer. Directors are Messrs. A. Markland and Alfred Procter, both of Vancouver, and Albert G. French, of New Westminster.

New Westminster was selected as the next meeting place of the association, the annual meeting to be held hereafter on the second Wednesday of each year. Instead of in connection with the annual meeting of the Grand Lodge.

The net membership at the end of the last fiscal year totaled 2,790, according to the report of the retiring secretary, Mr. W. C. Coatham. This number included 2,223 members of the Odd Fellows Order, and 567 members of the Rebekah branch.

During the past year twenty claims were paid, beneficiaries receiving \$5,000. Since the inception of the organization in 1919, 142 claims, totaling \$35,500 have been paid in benefits.

GRAND LODGE

The fifty-sixth annual session of the Grand Lodge of the Independent Order of Odd Fellows convened at 9 o'clock yesterday morning in the I.O.O.F. Temple on Douglas Street. E. G. Cavallary, Grand Master of the Order, presided, and representatives of sixty-four lodges from all parts of the Province of British Columbia were in attendance. Sixty-four new members were admitted to the Grand Lodge and thirteen Past Grand Masters were recorded.

The officers of the order submitted reports of their activities during the past year. This was referred to various committees to deal with.

A number of important questions affecting the future of this order are before the session and will be decided before they adjourn. Among them is a question of forming a junior branch in which boys over the age of fourteen years may be admitted.

Most of the morning session was spent in appointing committees to handle the many phases of the work of the Odd Fellows, and in receiving delegations bearing fraternal greetings from the ladies' organization, the Rebekah Assembly, the Encampment Branch, and the Military Branch known as the Patriarchs Militant. Mr. C. Bruce Morde, Grand Master of the Order of Alberta, and A. D. Huntingford, representative of the Encampment branch in Alberta, were admitted and accorded the privilege of sitting in the session.

The election of officers and the selection of a place of meeting for the 1931 session will be decided at today's session.

The entire membership were the guests of the members of the Victoria lodges in the afternoon, and were taken on tours of sightseeing and entertained at a banquet and dance in the Shrine Building last evening.

REBEKAHS

The Rebekah Assembly, in session at the Shrine Auditorium, yesterday morning discussed legislation, there being present official delegations from fifty of the fifty-two lodges in British Columbia, together with a large representation of unofficial delegates.

Following the presentation of greetings from several absent past presidents, the courtesy committee introduced delegations from the Grand Lodge, the Grand Encampment, and the Patriarchs Militant. On behalf of the Grand Lodge, F. G. M. Harry Hooks, of Agassiz, conveyed greetings and spoke of the love and devotion of the sisters of the subordinate branch of Odd Fellowship.

Speaking for the Grand Encampment, J. A. Dowling, P.G.M., extended greetings and told of the growth of the order through the service and co-operation of the members. Capt. Clarence Snider conveyed the greetings of the Patriarchs Militant, thanking the assembly for the kind greetings extended through Sister Agnes Merrieth, of Vancouver, who was elevated yesterday to the presidency of the Rebekah Assembly. ings and good wishes for the success of the session were also expressed by J. T. McDonald, A. G. French, W. W. Walker and Major Shaver.

A memorial service commemorating the thirty-nine brothers and sisters of the I.O.O.F., who passed away during 1929, was held by the Rebekahs in session at the Shrine Temple yesterday afternoon.

Two Carloads Of Berries Go To Prairies

There will go out from here today two carloads of strawberries to the Prairies. They will be made up from the three associations representing the growers in Saanich District. One will be from the Keating Exchange and the other will be made up from Gordon Head and Saanich Fruit Growers' Association.

The first carload lot which went to the Prairies, leaving Victoria on Monday morning, arrived in excellent shape. This car was disposed of in Edmonton and Saskatoon without going farther afield in the Prairie Provinces. The price realized testified to the excellent quality of the berries, being \$4.75 a crate, as it is picked up the moisture from the recent rain in the straw mulching between the rows. The berries are of fairly even size and grade.

The berries are now ripening steadily. The wind, it is reported, while having a tendency to dry up the ground, has, however, not worked to much disadvantage as it has it licked up the moisture from the recent rain in the straw mulching between the rows. The berries are of fairly even size and grade.

140,000 NAMES APPEAR ON LIST

Names Prepared for Four Ridings
on Mainland—Increase Over
1926 List Revealed

VANCOUVER, June 11.—Approximately a hundred and forty thousand names will appear on the voters' list in Vancouver's urban districts, according to figures prepared by the returning officers of Burrard, Vancouver Centre, Vancouver South and Vancouver North. For the 1926 election the voters' list for these districts was 90,361.

The approximate figures for this year and 1926 are as follows:

	1926	1930
Burrard	50,000	30,560
Vancouver Centre	33,000	29,000
Vancouver South	46,738	24,188
Vancouver North	9,000	6,613
Totals	138,738	90,361

Increase of population and the improved methods of obtaining names for the lists are the reasons assigned by the returning officers for the larger lists.

SAANICH PICNIC

Conservatives Make Preparations
for Gathering at Elk
Lake

The picnic arranged by the Saanich Conservative Association, to be held at Elk Lake on Dominion Day, promises to be a great success. A splendid programme of sports and other forms of entertainment has been arranged, and the speakers who are to address the gathering will be the Premier, Hon. S. F. Tolmie, Mr. C. H. Dickie and Mr. D. B. Plunkett.

Full reports from the different committees who have the arrangements in hand were submitted at the monthly meeting of the association held in the Conservative rooms, Campbell Building, with Vice-President A. R. Sherwood in the chair. Steps were also taken to thoroughly organize, throughout the different wards, for the forthcoming Dominion election, and it is expected that Mr. Dickie, the Conservative candidate, will be in attendance at the next meeting and address the members.

Like Getting 2 Pens* for the Price of One

The New Parker Duofold is Convertible
From a Pocket Pen to a Desk Pen and Back Again in 10 Seconds

Here is an utterly new and revolutionary idea in fountain pens. It is now the deciding factor in the minds of thousands selecting a fountain pen today.

It answers the important question: "Why have you not got your pocket and a second pen for your desk?" For here, in one fine fountain pen—are both.

The Parker Duofold is virtually two pens in one. Buy one for your pocket, and when you want a desk pen, get only the base—no other pen. A tapered pen tip is included.

Or if you buy a pen with a Desk Set, you receive the beautiful gold-trimmed pocket cap, with clip, which assures this double service—pocket and for desk. Thus one Parker Duofold pen—guaranteed for life—does for both, insures that you write with the point you prefer.

Geo. S. Parker's 47th Improvement, Pressureless Touch, brings capillary attraction to gravity's aid—the point writes the instant it touches paper.

Parker's graceful streamlined barrel, 28% lighter than rubber commonly used, holds 17.4% more ink, size for size.

Duofold Pens and Pencils set lower in the pocket because the clip starts the top. Look for the name "Geo. S. Parker—DUOFOLD" on Parker Pens. It is your guarantee for life. See Parkers in a wide variety at any convenient pen counter.

* Parker Duofold Pencils are also convertible. New pen and pencil Desk Set, exclusively Parker. Available on condition of your pocket Parker pen and pencil.

No matter how long, nor how badly you have been troubled with stomach disturbances, heartburn, bad breath, sluggish liver and other disorders due to constipation, you will happily see an immediate improvement in your health with the use of HELCO.

Since taking HELCO, hundreds of local folks no longer suffer from weakened, run-down condition—constant headaches—heartburn—and, above all, poor appetite, muddy blood and sluggish bowels.

Hundreds of users who have used this remedy in the treatment of such symptoms as dizzy spells, liver disorders, indigestion, sleepless nights, kidney and bladder troubles have already written in praise of HELCO.

This is the verdict not only of thousands of former stomach sufferers, but of physicians and health leaders throughout the land.

HELCO is a herbal medicine—free from drugs. It pays proper attention to stomach needs which ordinary laxatives do not do. It is a most modern and natural remedy, and is a great help in eliminating irritants from the system. It is a natural remedy.

Don't wait. Start taking HELCO today. It does not gripe because it is a natural tonic. You will feel a change after the first bottle. You will enjoy renewed vigor—"a new grip on life."

HELCO is on sale at your druggist. Ask him about it.

SENT UP FOR TRIAL ON MURDER CHARGE

MONTREAL, June 11.—Allan Forbes, thirty-five, was yesterday sent up for trial in the Court of King's Bench, for the murder of seventeen-year-old Phillippe Lafontaine.

According to the charge, Forbes killed the young man, who had been his roommate and companion for some months and chambered the body, wrapping the pieces in newspapers and scattering them on the water of the St. Lawrence River near the eastern extremity of Montreal island.

The body, which was found in sections, and of which the head has not yet been discovered, was described in court yesterday by Dr. Wilfred Deroome, medico-expert, who stated that while exact identification marks were lacking, the remains might well be those of the missing Lafontaine, who has not been seen since May 1.

NEWS OF BEREAVEMENT

Mr. Kenneth Ferguson, island manager of the Imperial Life Assurance Company, has just received the sad news of the sudden death of his elder brother, Mr. Hector P. Ferguson, which took place in Toronto, on Monday, June 9.

Mr. Ferguson left a wife and two young children in Toronto, as well as his father and sisters, who now reside at 1028 Chamberlain Street, this city.

WILL LEAVE TO JOIN CARAVAN

Dr. Tolmie Explains Why He Cannot Receive Conservative Leader on Campaign Tour

IMPORTANCE OF HAZELTON DRIVE

Hon. S. F. Tolmie will leave today for the Mainland, where he has business to attend before starting out on the caravan expedition to Hazelton, in which the opportunity will be afforded public men in the United States and newspaper representatives from that country and from Canada to see what the central part of British Columbia has to offer in the matter of an outing. This tour will start from Vancouver on Saturday, with the Premier and Hon. W. A. McKenzie representing the Government.

The Premier expressed his regret that in carrying out this engagement, which dated back a considerable time, he would not be here upon the arrival of Hon. R. B. Bennett, and therefore would not be in a position personally to receive the Leader of the Conservative Party in Canada.

"The Conservatives of the Province of British Columbia are standing as one man behind Mr. Bennett," said the Premier, "and he can look forward to the most wholehearted and loyal support from the party in this province."

AN IMPORTANT PARTY

Dr. Tolmie said that if he could possibly have canceled the engagement to make the trip north, he would gladly have done so, but in view of the importance to British Columbia of the visit of these people, who are making the trip to Hazelton, it could not well be done. It was really some six months ago since the invitations were first issued to prominent people of the United States to join in this caravan. The Governor of Alaska was coming and representative from Washington, D.C., and from the standpoint of this province, it appeared to him that the expedition was fraught with such potential results that he would not feel justified in declining to make the tour, even to welcome the great leader of the party in the opening of his campaign here.

EFFECT ON TRAVEL

The visit of the representatives of the United States to the Interior of the province in connection with the caravan, Dr. Tolmie believes will bring splendid results. It will set the pace for the influx of tourists who will want to see and there is to offer in Central British Columbia, even without proceeding to Alaska or the Yukon. If the trend of tourists can be set northward, there is no limit to what might be attained in this line, the Premier says.

MODEL SCHOOL STUDENTS HEARD

A concert was given on Tuesday at the Provincial Normal School, Mt. Tolmie, by the Junior model school choir, with a few additional numbers by students of the normal school. The Junior model school choir sang a Swedish folk song, "In Wooden Shoes," and a nonsense song, "Higgledy-Piggledy," and some of the children from the same classes gave a classic number depicting an episode in Western exploration. Miriam Steer, Gordon Payne and choir sang "Cherries Are Ripe"; Elizabeth Adams, "In a Weather Vane"; Frances Steer, Jean Phillips and choir sang "Sweet Nightingale"; Howard Sedgman, "The Airship"; and Miriam Steer, "Rel Robin, Sing Me a Song."

Numbers by senior model school choir children included "My Mountain Home" by Bryan Lutton; "The Sea King's Bride," sung by Peggy Allen and choir; a whistling solo, by John Aldous, with hummed accompaniment by choir; David Gross and choir, "Ballade of Sea Music"; "Treetop Mornings" by choir, and one or two other numbers by the choir.

The programme was under the direction of Miss G. Gordon Riddell, instructor of music at the normal school, whose thorough teaching throughout the year was apparent in the excellence of the selections given.

Chemist Finds New Method To Extract More Gold

(Copyright, 1930, by The Chicago Daily News Foreign Service)

JOHANNESBURG, South Africa, June 11.—Professor Bartoll, of Italy, has made a discovery here which promises to revolutionize the world's gold production, and which may have a serious effect on the gold standard.

"Gold assays made in the Witwatersrand are all wrong," Professor Bartoll told The Chicago Daily News correspondent, claiming that by his new process ten times as much gold could be extracted from ore as by present methods.

"Precious metals always are alloyed with base or other metals, and gold is not found merely in a state of purity," he continued. "Gold exists as salts just as in the case of silver salts. Where chemists have assayed five or six pennyweights—a pennyweight is 3.90 grams—I will show how to realize sixty or seventy pennyweights. On one sample from a mine dump assayed at 2 pennyweight to the ton, I realized 202 pennyweights. Three ounces of river sand have produced fifteen milligrams of gold, or the astonishing yield of one hundred pennyweights to the ton."

Appointment of Governor-General Held in Abeyance

(Canadian Press Cable)

SYDNEY, N.S.W., June 11.—According to The Sydney Evening News, the appointment of a Governor-General had been postponed until Premier J. N. Scullin goes to the Imperial Conference at London next October. The newspaper adds the Commonwealth Government is making an intense effort to secure the appointment of Sir Isaac Isaacs, justice of the High Court of Australia, as successor to Lord Stonehaven.

Referring to talk about "a titanic battle being waged behind the scenes," The Evening News says Sir Isaac's name is the only one that has been submitted to London. It was volunteered without any special invitation from London, because the Scullin Labor Ministry party determined to seek a departure from the long-established rule that the Governor-General should be directly nominated by a representative of His Majesty.

Investigators at Work in Every Field of Science

We Are Living In An Age of Swift and Steady Improvement—In Every Field of Science Investigators are at Work Learning New Things Which Increase the Comfort, Health and Efficiency of Mankind.

A HUNDRED years ago man traveled by stage-coach. Today, we have the airplane. This is in the field of mechanics. It has only to do with machines. But, in a sense, biology, chemistry, physics—all branches of science—have to do with parts of a machine.

Even the study of medicine deals with a machine. It is concerned with the human body, a divine machine, the most intricate and wonderful machine in the world. How to keep it running smoothly year after year is the problem of Medical Science.

This great problem requires knowledge of every part of the human body and how each part must function to maintain good health throughout the entire human system.

Medical Science, like all the rest, has not been idle. It has been attacking its problem, day and night, in every corner of the globe.

Important Discoveries Have Been Made

As a result of this modern research Medical Science has made some important discoveries which have completely overturned some of the practices and theories which we have known for a lifetime.

As an illustration, Medical Science has learned, first, that constipation, indigestion and other gastro-intestinal disorders are in thousands upon thousands of cases due to an insufficient flow of bile caused by a sluggish liver.

Second, that biliousness is not due to too much bile, but to a lack of it. Third, that bile, prepared by the liver, is a marvelous laxative and is nature's greatest weapon against constipation. When the flow of bile is not sufficient, constipation inevitably follows and when a proper flow of bile takes place in the normal individual, constipation rarely exists.

Bile Is Important to Digestion

It has also been found that bile plays an important part in the digestive processes and without a proper flow of bile sound digestion and good health are impossible in the otherwise normal individual.

Due to modern methods of living, sedentary habits, lack of exercise and improper eating many individuals suffer from an insufficient flow of bile. When the liver fails to de-

SARGON COMES TO CANADA

LOCAL DRUG FIRM OBTAINS AGENCY

Owl Drug Stores Are Awarded Exclusive Five-Year Franchise for Sargon and Sargon Soft Mass Pills—Now On Sale Here.

Local citizens who have heard of the results which have been accomplished by Sargon will be interested in the announcement that the exclusive agency for this well known medicine has been awarded to the Owl Drug Stores for Victoria and Vancouver.

Manufacturers of Sargon have followed out the policy of selecting outstanding firms as exclusive agents in every city where the new medicine has been introduced.

The National Drug and Chemical Company, of Montreal, with branches located in fifteen other leading cities of the Dominion, all the way from Halifax, Nova Scotia, to Vancouver, B.C., has been appointed wholesale distributors for this medicine throughout Canada.

G. Tamblin, Ltd., leading chain store firm, with headquarters in Toronto, and stores in many other Canadian cities, is among the many well-known retail concerns of Canada who have been appointed agents for Sargon.

FACTS ABOUT SARGON

Introduced in the United States in April, 1928, Sargon has become an internationally known product. Sargon owes its success to the fact that it is a modern medicine, representing some of the comparatively recent findings of recognized authorities.

As a result of exhaustive research, medical science has learned and proven conclusively that constipation, indigestion and other gastro-intestinal disorders are due, in the great majority of cases, to an insufficient flow of bile, caused by a sluggish liver.

Sargon and Sargon Soft Mass Pills contain some of the most powerful stimulants to the bile producing activity of the liver known.

Sargon also contains other ingredients of recognized therapeutic value which are designed to impart tone and strength to the entire system and are highly valuable for their influence upon the appetite, digestion and elimination.

While Sargon is manufactured in Fort Erie, Ont., and Dayton, O., its distribution is controlled exclusively by G. F. Willis, Inc. with home offices at Vondale Estates, a magnificent residential suburb near Atlanta, Ga., created and built by G. F. Willis, president of the company which bears his name. Mr. Willis was formerly president of Inter-

SARGON RAPIDLY BECOMING KNOWN OVER CONTINENT

When Suffering Men and Women Find a Medicine That Helps Them They Naturally Tell Their Friends About It and the Rapidly Growing Demand for Sargon Is Largely Due to Grateful Endorsements From All Over America.

If you found a medicine that was of such great benefit to you that you would go to the trouble of sending it to relatives and friends in distant countries, you would have to be convinced in your own mind that it possessed real merit, wouldn't you?

That's just what hundreds of people throughout the United States have been doing with Sargon, the new formula recently introduced in Canada.

From all over America and wherever Sargon has been introduced, thousands of letters have been received from grateful users telling of the gratifying results that have been accomplished by this medicine.

Thousand of Letters Received

On November 27, 1929, a letter dated November 23, was received at the Sargon offices advising that in one week one drug firm alone had shipped Sargon to Cavite, Philippine

Island; Coga-Solo, Canal Zone; Belebroke, Ireland, and Paris, France.

Only recently a well-known resident of Denver, Colorado, who had been restored to health by Sargon, sent a full treatment to London, England, to his sister, who is the wife of an executive of one of the greatest retail drug firms in the British Empire.

During the past month there appeared in the Toronto papers the statement of a well-known World War veteran whose health had been greatly impaired while in the service, who stated, among other things, that he owed his restoration to health to two bottles of Sargon sent him by a friend in Minneapolis.

Sargon's Reputation Is Rapidly Spreading

From the Northeast, many letters of this kind have been received advising that users of Sargon are sending it to relatives back in the old countries of Sweden and Norway.

These are only a few of hundreds of such cases which have arisen during the few months Sargon has been on the market.

Human nature is the same the world over. When suffering men and women find a medicine that helps them, they naturally want to tell their friends about it and in this way the reputation of Sargon is rapidly spreading throughout the length and breadth of the entire American continent.

Sargon's reputation is based on actual results, not empty promises, the facts are known and verified.

national Proprietaries, Inc., and was for years one of the largest individual advertisers in the world. He was also founder and president of the Zonite Products Co. Having disposed of these interests he is now devoting his entire time to the distribution of Sargon and Sargon Soft Mass Pills, which seem destined to eclipse any of his former successes. TWO SCHOLARSHIPS OFFERED NURSES

At the annual meeting of the Graduate Nurses' Association of British Columbia, held recently, it was decided to offer two scholarships of the value of \$500 to registered nurses of British Columbia in good standing, to pursue postgraduate study along professional lines in a Canadian university or at Bedford College, London, England. One of these is to be for a public health nursing course and the other for a course of teaching or supervision and administration in schools of nursing.

Postgraduate courses in outstanding Canadian hospitals, to be selected by the committee, may be

taken in place of the university course. Application forms will be sent to every registered nurse of British Columbia and are to be returned to the Registrar, 118 Vancouver Block, Vancouver, before August 11 so that time may be allowed for arrangements to be made for the Autumn (1930) course.

New Prices ON PACKARD STANDARD EIGHTS

5-PASSENGER SEDAN NOW \$2865

LIST PRICE, F.O.B. DETROIT, IN CANADA

FOUR HUNDRED DOLLARS, nearly 20% off the old price, is the amount Packard has reduced the entire Standard Eight line of eleven beautiful and distinguished models. Think what that means! It means that the Packard Standard Eight 5-Passenger Sedan, for example, now costs but \$2865, list price, f.o.b. Detroit, in Canada.

These new prices open the door to Packard ownership for new thousands of those who have always preferred a Packard but felt unable to go beyond "the \$2000 price class." At last the opportunity to make your own dreams of Packard ownership come true! And just at the right time—when you are probably considering the purchase of a new car.

Be sure before you buy any car costing \$1500 or over that you see us and learn the real secret of Packard ownership at no extra cost. We can prove to your complete satisfaction, with facts and figures, that a Packard Standard Eight will cost you no more to own or operate than any other car of like size and power.

You know your present cost of car ownership. We know the cost of Packard ownership. Bring your cost figures in and let us compare them with ours. And then drive the Packard Standard Eight, big, powerful, luxurious and beautiful. You will want it—and you can own it.

Probably the allowance on your present car will enable you to drive away in your new Packard with little or no down payment. The small amount of the monthly payments on the balance will surprise you.

Now we have a full line of models and color combinations. Now is the time to act.

Nippon Yusen Kaisha Officials Entertain Prominent Citizens on Hikawa Maru

SPEAKERS WELCOME BEAUTIFUL LINER

The Ma. Hikawa Maru and her captain and officers were fittingly introduced to the port of Victoria yesterday. All day long admirers of marine architecture and ships' appointments visited the palatial liner lying at the Riethe pier, and were loud in their appreciation of everything observable in connection with this latest, and most beautifully found, ship which has ever come to our shores flying the flag of Japan.

In the evening, a formal dinner was served in the dining saloon of the liner, at which Mayor Anson, local transportation officials, Customs officers and prominent citizens.

After the toast to the King and the Emperor of Japan had been proposed by Mayor Anson, and honored by the guests present, the mayor expressed his appreciation of the honor done him, and said:

LONG FIRM FRIENDS
"Great Britain and Japan have been firm allies and firm friends for so many years, I feel it was not out of place for myself, as Mayor of the Capital City of the Province, to lend my assistance on this occasion, and I had no hesitation in accepting the request that I take the chair."

Mr. Suwa, manager in the Northwest for the N.Y.K. Line, responded. He stated that his company had searched the world over for all that was best in ships and their appointments, and the results were embodied in the Hikawa Maru.

Captain Akiyoshi proposed the toast to "Our Guests," and Mr. P. B. Fowler, manager of the Canadian Bank of Commerce, responded. Mr. A. H. Hebb spoke briefly in response to the Mayor's request that he "sing, recite or talk."

During the evening Mrs. W. H. Wilson sang a group of songs, and was accompanied by Miss Dorothy Morton, both of whom were presented with bouquets of flowers.

and keep things moving to the best of my ability. As you all know, the Japanese nation holds a foremost place among the maritime nations of the world—in point of fact, ranking third in actual tonnage. Our hosts this evening, the Nippon Yusen Kaisha Line, are by far the largest corporation operating under the flag of the rising sun. This new motorship, the Hikawa Maru, is the last word in the science of marine engineering. Every known appliance making for safety, comfort and convenience is installed on this ship, and I am sure I would ask for nothing better, had I the time, or better still, the means, to make a trip to the Orient.

"We in Victoria are, in a regular way, probably as closely in touch with the N.Y.K. and other Japanese lines, as any other city on the Coast, and I can speak with knowledge of the efficient and courteous service given to our shippers. On behalf of the city of Victoria, may I extend our very best wishes for the continued prosperity of the company. May we hope that this new ship, the Hikawa Maru, will have a long and successful career, and that the day will not be far distant when she will find sufficient work to keep her busy all the time," concluded Mayor Anson.

I gave Lieutenant-Governor Bruce great pleasure to welcome the captain and his colleagues to the city of Victoria. He pointed out that Great Britain was closely allied with Japan. During the war, the value of Japanese friendship was demonstrated. In those dark days the loyalty of the Japanese never wavered and they had helped to protect British commerce on the coast. They would always have a warm place in the hearts of true Britishers.

SAW BRIGHT FUTURE
His Honor referred to the number of new ships which were arriving on the coast, and remarked that the transportation companies evidently saw the wonderful future dawning for the coast of British Columbia. "The coming of these ships," concluded the Lieutenant-Governor, "involves responsibility for all our citizens. They should assist the ships in getting traffic."

Premier Tolmie extended a welcome to the ship on behalf of the Province of British Columbia, and reviewed the history of the Japanese company since its first ship arrived on the coast. The achievements of the N.Y.K. were pointed out. British Columbia could provide cargo for the ships that came, and would be glad to do so. Trade would strengthen the relations between the two countries, and would attest to British Columbia's appreciation for what Japan had done during the war.

The toast to the N.Y.K. was proposed by Commander Murray, R.N., who referred to the valiant and efficient navy of Japan. Togo, the national hero of the Japanese, was revered as Nelson was revered by the British people.

Mr. Suwa, manager in the Northwest for the N.Y.K. Line, responded. He stated that his company had searched the world over for all that was best in ships and their appointments, and the results were embodied in the Hikawa Maru.

Captain Akiyoshi proposed the toast to "Our Guests," and Mr. P. B. Fowler, manager of the Canadian Bank of Commerce, responded. Mr. A. H. Hebb spoke briefly in response to the Mayor's request that he "sing, recite or talk."

The names of Mr. Stuart Henderson, who has contested the seat, and is a former member of the Legislature, and Mr. George McGregor have been mentioned in connection with the nomination.

OVERSEAS NURSES GREET VISITOR

Miss Annie J. Hartley, Matron in Chief Under Penitentiary Dept., Guest at Reception

Overseas nurses in Victoria gathered in full force on Tuesday evening at a reception given by Miss Bradshaw at the Y.W.C.A. in honor of the Annie J. Hartley, recently appointed matron-in-chief under the Department of Penitentiaries and Health for Canada. Miss Hartley, who is a life-long friend of Miss Bradshaw's, went overseas as matron of No. 4 Canadian General Hospital (Toronto University Unit), and saw service in France, England, Salonica, and Malta, and among the overseas nurses whom she met on the reception here were many who had intimate associations with her during her war services, some while she was attached to No. 3 hospital at Salonica, others at No. 1 hospital at Etaples, and No. 4, Basingstoke, England.

A Canadian by birth, Miss Hartley graduated from the Toronto General, and for some years after graduating was night supervisor at this hospital. After the war she returned to Canada, and was appointed matron of the Christie Street Hospital, Toronto, a position which she still holds in conjunction with her more recent appointment as matron-in-chief under the Department of Penitentiaries and Health. It is in her latter capacity that she is touring Canada at the present time, and this is her first visit to the West. On her way to Victoria she called at Winnipeg, Edmonton and Vancouver, and on her way back East will visit Calgary and Regina, her intention being to attend the convention of the Graduate Nurses of Canada to be held at Regina on June 24.

She has several decorations, one of which the Florence Nightingale Medal for meritorious nursing service, she had with her on Tuesday evening. She is the second Canadian nurse to receive this prized decoration. Another which she values highly is the Royal Red Cross, conferred on her by the King at Buckingham Palace.

During the reception here in her honor the overseas nurses presented her with an enormous basket of delphinium, iris, roses and lilies, which enhanced the attractive scheme of decorations carried out in red, white and blue. The supper table, at which Miss Alice Williams and Mrs. Dickson presided, was prettily arranged with pink tapers and roses. Miss Ethel Hartley, of Edmonton, who accompanied her sister to the Coast, was also present with a bouquet.

Among the overseas nurses and others who were present at the reception were Lieutenant-Colonel and Mrs. David Donald, Dr. H. N. Taylor, Mrs. E. C. Hart, Miss Tina Mowbray, Miss Jean Kay, Miss Helen Kelly, Mrs. M. H. Ruddle, Miss Edna Alexander, Miss Miss Fraughton, Miss Frances S. Cook, Mrs. K. O. Harper, Mrs. Arthur Walsh, Miss Beatrice E. Bradshaw, Mrs. S. Warr, Mrs. C. S. Ball, Mrs. L. M. Towill, Mrs. E. A. Dixon, Miss Marjorie Williams, Miss A. Benzie, Mrs. E. F. Saunders, Miss Ethel Morrison, Miss Meta Hodge, Miss A. Williams and Miss E. McVittie.

Miss Adele Bucklin Winner of Festival Violin Competition

VANCOUVER, June 11.—Miss Adele Bucklin, of Victoria, was adjudged winner and silver medalist in Class 75, violin competition, under nineteen years, at tonight's session of the British Columbia Musical Festival here. Miss Bucklin received 178 marks; John Stobbs, of Mission City, was second with 168 marks.

An interesting feature of the proceedings was the adjudication of day school choir. At the end of the closely contested competition, Bayview School, under the leadership of Miss M. McLeod, succeeded in winning the Russell McLean Challenge Shield from Tecumseh School choir. In the senior high school class, the Nicola Valley Lodge, Knights of Pythias, Shield was carried off by Temple Junior High School, conducted by Miss Nellie Bain.

A remarkable example of violin playing was given by competitors in the class for students under nineteen years. A good deal of rhythmic and tonal contrasts were noted, particularly in the finals. The silver medal was presented to Adele Bucklin, of Victoria, with a mark of 178.

Member of Tariff Advisory Board Will Come to British Columbia to Investigate

CALIFORNIAN IMPORTS FEARED

It is announced that Mr. Frank S. Jacobs, of the Tariff Advisory Board at Ottawa, will visit British Columbia shortly for the purpose of investigating the situation here with regard to the question of importation of grapes in the fresh form or crushed and of grape juice for the purpose of utilizing them in the making of wines in the province. Mr. W. W. Duncan, director of markets for the province, is advising the manufacturers of wines and growers of grapes upon the subject, with the advice that they should make such representations as they see fit, and be prepared to do so when Mr. Jacobs arrives.

GRAPE DUMPING
The situation with regard to the grape importations into the Dominion of Canada from the United States offers quite a problem. The Canadian Horticultural Council has been active in pressing at Ottawa for a change in the tariff rules which would prevent the inundating of the Canadian market with dumped grapes, especially from California.

Quoting from a letter sent out by the Toronto brokers of the California Co-operative, Mr. L. F. Burrows, secretary-treasurer of the Canadian Horticultural Council, shows that the growers' Co-operative, through the Federal Farm Loan Board of the United States, intends to convert the future surpluses of grapes and raisins into by-products, and dump it on the markets at a low price. It is set out in the letter that this surplus of the Sun-Maid Raisin Growers Association of California, will amount to something like 20 per cent of this year's crop.

The letter of the broker in Toronto quoted by Mr. Burrows reads as follows: "It is not the Sun-Maid Association's intention to operate their by-product plant for profit, but merely as a means of disposing of grapes that were not for the United States law against destroying food, would be cheaper to dump into the river."

"Therefore we expect this year to be able to offer grape juice and concentrates in tank cars and barrels at very attractive prices."

EXTENT OF DUTY
Mr. Burrows, in a circular letter sent out, gives the information on that under the former tariff crushed grapes were admitted into Canada from the United States at 25 per cent duty. They sold at \$30 a ton. There were also importations into the Niagara district, grape juice carrying a duty of 25% per cent.

The Horticultural Board pressed for a duty of three cents a pound upon crushed grapes and a commensurate basis of twenty-five cents a gallon on grape juice, and added duties in the case of concentrated juices, aimed at the imports from California.

The Minister of Finance, it is set out by Mr. Burrows, took the ground that the matter had not been discussed by the Tariff Board, and all sides gave a chance to be heard. On the request of the Horticultural Council, the tariff amendment proposed was allowed to stand, to be invoked by order-in-council and it stands thus now.

Premier Brownlee Will Take to Air During Campaign

EDMONTON, Alta., June 11.—Premier Brownlee will take to the air as part of his election campaign programme. He leaves Saturday morning in an airplane for points in the north. He will address a meeting at Berwyn in the afternoon and one at Peace River in the evening. His return trip, also by the air route, will be made on Monday in time to connect with his meeting at St. Paul, his present plan being to fly directly to that point.

This aerial itinerary is the first of the sort not only that the Premier himself has made in connection with an election campaign, but that any of the Alberta ministers have made. Moreover, there have not been any such instances of electioneering travel anywhere in Canada.

Mr. Brownlee says he is going that way not because he is particularly fond of flying but because it saves a lot of time.

SCHOOL BOARD MAKES PURCHASES

Number of Recommendations From Finance Committee Endorsed by Meeting Last Night

At its regular meeting last night the city School Board sanctioned a number of recommendations made by the finance committee, among them being the purchase of 250 kitchen chairs for Sir James Douglas auditorium, tenders for which will be invited immediately; the purchase, at a cost of \$12,500, of four sewing machines for use in connection with the domestic science classes, which have found it necessary to rent machines since February last, and a frigidaire, costing \$600, for the Victoria High School. General accounts, building accounts and other amounts to the total of \$3,463.44, were presented and ordered paid.

The finance committee's report showed that accounts amounting to \$40,855.20 for salaries had been paid forward since the last regular meeting. Estimates for the year and expenditure as compared with last year showed a difference of \$1,269.83 only, the total expenditures for the present year, less salaries, being \$45,520.71 as against \$47,250.88 the previous year.

The buildings and grounds committee's request to proceed with certain licensed undertakings, all of which had been provided for in the estimates, was passed. Repairs and improvements to the extent of \$1,200 are to be carried out at the high school, installations, improvements, painting, etc., at Burnside School are to be carried out at an estimated cost of \$800, and work to be done at the Boys' Central will cost approximately \$600. Other schools at which work is to be done are Sir James Douglas, Margaret Jenkins, South Park, Victoria West, North Ward, Quadra, Bank Street and Beacon Hill. Further information is to be secured before the request of Osklands Parent-Teacher Association for renovations to the auditorium is accepted to.

James Bay Parent-Teacher Association sent a communication announcing they had paid a certain amount toward the purchase of an orthophonic and requesting the board to pay the balance, but this matter was referred to the finance committee with power to act.

In the correspondence was a communication from Mr. A. R. Sherwood, secretary of the B.P.C.A., announcing that Dr. Irene Baslow Hudson had deposited with the society a cheque to be used as prize money in an essay contest on "Care of Dumb Animals," which will be open to school children of the city. The board was asked, through the municipal inspector, to advertise the contest in the city schools.

From the Victoria Musical Festival Association was a letter of thanks for the board's permission to use the High School for certain events in connection with the recent Musical Festival here.

The board, in reply to a communication from Dr. S. J. Willis, superintendent of education, gave its customary sanction for the use of the High School for the holding of the Summer school for teachers in July and August.

The first straw hat of the season appeared at the ball park on Tuesday last. Along about the fifth inning a foul ball sent the skimmer skimming. Proving that straws tell which way the blow goes.

Patrons are urged to secure their reservations at Fletcher's music store.

Clubs and Societies

Duncan United W.M.S.

The Women's Missionary Society of Duncan United Church held its monthly meeting at the home of Mr. and Mrs. William Hargis, Island Highway, where Mrs. Hargis and Mrs. John Baker were joint hostesses, on Tuesday afternoon. There were over forty members and friends present. The president, Mrs. Mann, Sr., presided. The meeting opened with singing of a hymn, "I Love to Tell the Story." The devo- tional exercises were led by Mrs. G. Henderson. The minutes were read by Mrs. E. W. Lee, as Mrs. W. J. Curry was absent. Mrs. P. Dobson gave the treasurer's report, which was very encouraging. Mrs. R. H. Whidden, supply secretary, has everything ready for the quilting bee to be held at Mrs. A. Burk- holder's home in July. The regular meeting for July is to be held at the Mission, Koksilah, the home of Rev. and Mrs. Miller. A short address on "Fishing" was given by Mrs. Miller. Mrs. A. J. Brown's solo, "Thy Grace Is Sufficient for Me," accompanied by Mrs. C. Buckmaster, was very much enjoyed. The third chapter of the Study Book was taken by Mrs. Lee. Tea was served by the hostesses, assisted by Miss Rita Greaves and Miss Winnie Hargis.

TODAY'S RECIPE

CREAM Puffs—Always a favorite dessert, home- made cream puffs are so delicious and even the most amateur cook need feel no qualms about trying them. Boil with one cup of hot water one-half cup of butter, stirring in one cup of flour during boiling; set aside to cool, and when cold stir in four eggs, one at a time, with- out beating; drop on tins quickly and bake in a fairly hot oven. When baked fill with whipped cream.

Wilkinson Road W.M.S.

The regular monthly meeting of the Wilkinson Road W.M.S. was held on Tuesday at the home of Mrs. Jewell, Old West Road, with the president in the chair. The meeting opened with the singing of "Breathe on Me, Breath of God," followed by the repetition of the watchword. Mr. Ireland gave the Scripture lesson, mentioning both Pentecost and the fifth anniversary of union. The financial report for the first six months of the year was given by the treasurer, Mrs. Pringle, and Mrs. G. Jones reported on the strangers' work. Mrs. Sonley, of Victoria, gave a most interesting report of the Presbyterian which was recently held in Vancouver. The watch tower was reported as follows: Canada, Mrs. McHaffee; Africa, Mrs. Ireland; Trinidad, Mrs. Allison; India, Mrs. G. Jones; Korea, Mrs. Van Decar. An instructive synopsis of the third chapter of "Jerusalem to Jerusalem" was given by Mrs. Ireland, and Mrs. G. Jones sang a solo, "Softly and Tenderly." The meeting closed with the hymn, "Blest Be the Tie That Binds."

Gonzales Chapter

The June meeting of Gonzales Chapter, I.O.E., was held at head- quarters on Tuesday, Mrs. B. H. T. Drake presiding. A standing vote of sympathy was extended to the members of the family of the late Mrs. Charles Todd, who was for long a valued member of the chap- ter. The members welcomed Miss C. I. Alexander on her return from Europe. Mrs. J. Norman Forde was welcomed as a new member. Mrs. Saxton-White volunteered to act as convener of the workers for Alex- andra Rose Day. Mrs. P. F. Curtis, educational secretary, brought to the attention of the chapter an ap- plication of a very worthy candidate for assistance in secondary educa- tion, and a grant of \$10 was voted. Notice was given of the annual gathering of Girl Guides at Govern- ment House on June 14. There will not be any more meetings of the chapter this season.

Alert Bay W.A.

The Senior Branch of the Alert Bay Branch of the Women's Auxil- iary held its last meeting, till after the summer months, last Monday at the home of Mrs. Prosser. The president, Miss Dibben, was in the chair. The chief business dis- cussed was the Dorcas work. The Dorcas secretary, Mrs. Kennell, stated that the bale for the Indus- trial School was paid for, and she also moved that \$10 be given to the Pender Harbor Hospital, which mo- tion was carried. After this there was still a small surplus in hand. The annual bazaar, which will be held in November, was also dis- cussed and the various stalls al- located.

Canadian Club, Nanaimo

The executive committee of the Women's Canadian Club, Nanaimo, met last evening to complete ar- rangements for the annual fete to be held at the home of Mrs. Arthur Leighton, Macleary Street, on June 20. Committees were named as fol- lows: General conveners, Mrs. Ekins and Mrs. Hope; musical committee, Mrs. C. Barker and Mrs. F. Rey- nolds; decorations, Mrs. T. W. Mar- tindale; cashiers, Mrs. T. Spencer and Miss L. Waugh; clock golf, Mrs. Frank Cunliffe.

Dr. O. M. Jones Chapter

The regular monthly meeting of the Dr. O. M. Jones Chapter was held yesterday at the home of Mrs. W. Ellis, Beach Drive, fourteen members being present. Mrs. J. V. Johnson was made a member of the order. The committee reported that the sum of \$39.75 had been realized from the rummage sale held recently, and plans were made for assistance on Alexandra Rose Day. There will be no further meetings of the chapter until Sep- tember.

Mooseheart Legion

After the business meeting of Women of Mooseheart Legion Chap- ter, No. 25, on Monday evening, an apron sale was held, convened by Mrs. Burke. A social evening was planned for the next meeting. Senior Regent A. Hatcher and Mrs. Pearce, chaplain, left on Tuesday afternoon to attend the Northwest Moose Convention at Aberdeen, Wash. Mrs. Hatcher will be the delegate.

St. Barnabas' Guild

St. Barnabas' Guild and W.A. will hold their annual Summer fete in the church grounds on Thursday, June 19, at 3 o'clock, and will be opened by Mr. A. M. Bannerman. Stalls of useful articles, including home cooking and candies, are be- ing arranged. During the afternoon a play, entitled "The Singing Egg," will be performed by the members of the league.

Camoun Chapter

Camoun Chapter, I.O.E., will hold a garden fete at the home of Mrs. Drummond-Hay, 141 Gorge Road, today. There will be various attractions, including dances by Mrs. Dorothy Wilson's pupils, and a musical programme arranged by Miss Irene Bannerman.

Mayor Macleary and members of the City Council, and representatives of the Board of Trade, paid an official visit of welcome to H.M.S. Dauntless in Comox Harbor on Tuesday.

Qualicum Beach

Messrs. J. Miller, Craig Reid, Andrew Reid, J. Beveridge and G. Aldous motored to Victoria on Monday to see the Glasgow Rangers. The trip was most enjoyed. Going via the Mill Bay ferry and returning over the Summit, the road is in splendid shape everywhere.

Mr. S. Cunningham got two good trout (cutthroats), 3 and 3 1/2 lbs. in the Little Qualicum River; also a 17-lb. spring salmon in the bay last week.

Chemainus

Mrs. J. P. Chatters is visiting in Victoria.

Mrs. Warren and family are the guests of Mr. and Mrs. J. Symes.

Mrs. Charlie Baker is spending a vacation visiting friends in Vancouver and Seattle.

Mrs. Sydney White has returned from Vancouver, where she has been a patient in the Vancouver General Hospital.

Mrs. Walcott is the guest of Mr. and Mrs. Donald, and is returning to her home at Maple Bay on Wednesday.

South Pender, Saturna
Mr. N. A. Richardson returned from Vancouver last week, after spending two weeks with Mr. and Mrs. L. H. Walker, at 7283 Maple Street.

Mrs. L. S. Higgs left on Monday for All Bay, where she will be the guest of her son and daughter-in-law, Mr. and Mrs. W. Y. Higgs.

Mr. and Mrs. G. F. Payne returned last week, after an enjoyable motor trip to the United States.

Mrs. Leckie, Parkville, is the guest of Mr. and Mrs. A. C. Crane, at South Pender.

Mrs. C. Adams, of Victoria, has been visiting her parents, Mr. and Mrs. G. F. Payne, Saturna.

Mr. G. F. Payne, Mr. Corlett, Mr. W. Truworth and Mr. F. Dyer spent the day at South Pender on Sunday, where they were the guests of Mr. A. R. Spalding.

Mrs. H. A. Spalding left on Tuesday for Qualicum Island, where she is the guest of her brother, Mr. L. T. Bellhouse, at the Farm House Inn.

Miss Tobin was the guest of Mr. and Mrs. G. Copeland, at Saturna, over the week-end.

Fashion Fancies
By Marie Belmont

The wave of pajama popularity has hit the fashionable beaches. There is no doubt that if one is to be in the swim this summer a pajama ensemble must be included in the outfit wardrobe. They are designed of countless materials, shantung, denim, and particularly flowered cotton prints. Those of monochrome fabrics are splashed with contrasting colors set on in large sections.

The trickiest sun on the whitest beach would seem dull compared to the white and orange shantung model shown above. There is at present some rivalry between boleros and capotes in the pajama parade. Here the bolero has won first place. The wide trousers are box pleated on either side of the long inverted pleats, and the tucked-in blouse of white shantung.

Cowichan Station

Mrs. Alan Kennington has left to spend several weeks visiting her daughter, Mrs. Allen, and friends in Alberta.

Mrs. T. A. Dutton has returned to Vancouver after spending a month in Cowichan.

The annual garden party of the St. Andrew's W.A. will be held at "Woodlands," the home of Mrs. H. W. May, on July 4.

Colwood
Mrs. P. Henwood and son, Bobby, of Seattle, are the guests of Mr. and Mrs. E. Shields.

Miss K. Matheson, of Winnipeg, is spending a vacation with her parents, Mr. and Mrs. C. Matheson, "Six Acres."

Mr. Len Robinson, of Alberni, is visiting Mr. and Mrs. A. G. Tyler.

Deep Cove

Dr. Ethel McLean arrived from Montreal to visit her parents, Mr. and Mrs. William McLean, for a short time, after which she will leave for Boston.

Mr. Jesse Towner paid a brief visit to his cousin, Miss Rose Bartholomew. Mr. Towner lived for some time here with his uncle twenty years ago.

Mrs. Bertram Taylor and daughter, Molly, and little son, Michael, will leave shortly for England.

A garden party and sale of work, under the auspices of the senior branch of the Holy Trinity and St. Andrew's W.A. to the M.S.C.C., will be held at "Ardmore Grange," the home of General and Mrs. Gwynne, on Saturday, June 21, from 3 to 6 p.m. Proceeds are for the W.A. pledges, especially the Pender Harbor Hospital.

Mayne Island

Mrs. Popham has arrived from Victoria, and will spend the summer here, resting, as usual, Captain Maude's cottage.

Mr. F. G. and Miss Williams, of Victoria, left for home on Monday, after having spent a week here as the guests of Dr. and Mrs. Rose.

Captain George Maude took a large party from Mayne to Sidney and back on Friday. In all, some fifteen persons availed themselves of the opportunity of visiting Victoria and other points during the day. On Sunday a party of 100 young people came over from Ladner. This party engaged Mrs. Gwynne's park, where they spent a glorious day, leaving Mayne at 8 p.m. for the river.

Ven. Archdeacon Laycock was the guest of Colonel and Lady Constance Fawkes during last week, and returned to Victoria on Thursday.

Recent guests at Grandview Lodge included: Miss R. Petre, of New Westminster; Messrs. A. McDonald, of Sidney; C. H. O'Halloran, of Victoria; A. C. Paddock, and J. D. Leiper, of Vancouver.

Jordan River

ODDITIES OF CAROL'S COUP IN RUMANIA

Cigarettes With "King Michael" Trade Mark Have Gone Out of Date

POSTAGE STAMPS TO BE CALLED IN

By JOHN GUNTHER
(Copyright, 1930, by The Chicago Daily News Service.)

BUCHAREST, Rumania, June 11.—Curious tangles in several fields distinguish Rumania's transition from one monarch to another.

Lithographers and engravers are rushing at top speed to fill orders for thousands of postage stamps and photos of King Carol II. While portraits of him were not forbidden, they were only rarely used in public display during his exile, but now every other person in Bucharest is trying by hook or crook to frame a ribbon and display his picture.

CAROL'S PICTURE
Most of the rooms in the Government offices have big pictures of the late King Ferdinand and nine-year-old Michael, Carol's son, who played king for a few years, and these will stay, but all must now have pictures of Carol, too.

Various members of the diplomatic corps are uncertain where they stand, having presented letters of credence to Michael, and fear that they have no official status with Carol. Several diplomats are calling their Governments for instructions. The steward of the royal household has been fired and cannot give the information here.

CIGARETTES CAUGHT
A well known cigarette exists, trade named "King Michael" in thousands of boxes and cartons with Michael as the king, embossed on the covers. These must shortly be destroyed and replaced by "King Carol II" cigarettes. Orders are expected to call in all postage stamps portraying Michael.

A rush order went to the printers for hundreds of thousands of Carol stamps. Several million dollars are in circulation in the shape of new bronze twenty lei pieces (about 12 cents each) and all bearing a shiny intaglio picture of Michael as monarch. It is not likely that these can be reminted, but new Carol coinage is expected.

BENEFIT CONCERT FOR VIOLINIST

Effort Being Made to Help Miss Irene Bick, Who Has Been Seriously Ill

(Contributed)

We have in Victoria some outstanding examples of talent combined with a goodly amount of pluck and the will to succeed, and all those who are interested in music, in young people, or in the native daughters of Victoria, should deem it a privilege to assist in any way in a benefit concert to be given at the Shrine Hall on June 6.

A few of the leading women of Victoria, women who are her friends as well, have organized this concert for a young violinist who has every right to success, and the committee in charge is being assisted by many others in the sale of tickets and in various ways.

The complete programme will be announced at an early date, and tickets will be placed on sale at the music stores. The money to pay for the Shrine Hall has already been donated.

Miss Irene Bick, who has been extremely ill, and who is not able to take charge of her class, which is being taught at the present time by one of her pupils, is too well known to need any word of commendation from either a musical or personal standpoint. The committee in charge feels that the concert cannot fail to be a great success, and that the proceeds will go far toward helping the artist to regain her health, and the ability to go on with her work.

SCHMELING, SHARKEY TO MIX TONIGHT

Over 50 Riders to Take Part in Bike Race Tomorrow

Large Fields Assured in Every Event of Cycling Classic—Class "A" Riders to Get Away at 7:30 P.M.—Many Prizes Offered

By 6 o'clock last evening, the closing time set for receiving entries for the over fifty competitors had signified their intention of taking part in the Colonist eighth annual bicycle road race, to be held tomorrow evening, starting from the corner of Quadra Street and King's Road, at 7:30 o'clock. All day yesterday, bicycle racing enthusiasts were making inquiries at The Colonist as to various details regarding the race, and from the interest being taken, it promises to be the biggest sporting classic of its kind ever held in Victoria.

Vancouver racing fans have their eyes on The Colonist trophy, for they are sending over several fast riders, including Jim Davies, to try to take the cup back to the Mainland.

Promptly at 7:30 o'clock will see the Class "A" riders dash off. These will be followed at two-minute intervals by riders in classes "B," "C," "D" and "E." For the first two seconds the riders will be visible to the thousands who will surround the starting point, and with the making of the turn at Hillside Avenue and Quadra Street, these speed demons of the pedal-pushing game will vanish as they go in quest of The Colonist Cup. This is the big prize in the monster cycling event, and goes to the rider making the fastest time regardless of class.

Numerous other prizes have been donated, and will go to first, second and third in each event, while the Wilkeson Cup will go to the rider in Class "A" or "B" who cuts down last year's time by the greatest margin. A trophy has also been presented by McLennan, McPeck & Prior, which will go to the rider in Class "C," "D" or "E," who cuts down last year's time by the greatest margin.

Indications are that this year's event will be the most colorful for many years; while it is expected the crowd will be far in excess of that of any previous race.

The Victoria Fire Department's Band will be in attendance during the race. Popular selections will be played at the corner of Quadra Street and King's Road, and it is expected a large number will turn out to hear the music, as well as to watch the race.

The city, Spanish and Provincial Police have the matter of keeping the course clear under their direction. Last year, and in previous years, the work was exceedingly well done, and the police received the thanks of the riders as well as the committee in charge of The Colonist.

Big League Baseball

FRANKIE FRISCH SHOWS HOW AN INFIELDER SHOULD FIELD GROUND BALL AND MAKE THROW TO FIRST.

By AL DEMAREE
(Former Pitcher, New York Giants)

The above illustration is an action-photograph of Frankie Frisch, the great St. Louis Cardinal second baseman, fielding a ground ball and making the throw to first base.

A second baseman should be a good judge of ground balls and an accurate thrower. It is important that accuracy in throwing be more considered than a powerful arm. Practice both overhead and underhand throws to first base. The underhand throw is the best time to save the second baseman's position.

There have been old fellows in the major league whose throwing arms were not what they had been, who played season after season because they could snap the ball to first base underhand.

Have a distinct understanding with the shortstop as to which one of you is going to cover second base if the man on first starts for second on a steal or hit and run play. Be sure you are in a position to cover first base when the first baseman is playing in for a bunt. Learn to go back on short fly balls that the centre and right fielder cannot reach.

Watch your catcher's signs to his pitcher so you can anticipate what is being thrown and where it will probably be hit. A right-hand hitter will more likely pull a curve ball to left field than will a fast ball and the left-hand hitter vice versa.

PAUL WANER'S AVERAGE JUMPS

Pirate Outfielder Has Perfect Day to Boost Mark to 386—Stephenson Moves Up

Paul Waner, Riggs Stephenson and Babe Ruth packed the big bats of baseball's Big Six yesterday, as all but Al Simmons of the sextette got into action. Waner was credited with a perfect day at bat when he hit two singles in two trips, while Stephenson and Babe connected twice each in four times at bat. The Pirates outfielders' activities boosted his average to .386. Ruth still holds the cellar position, but his average went up to .391. Stephenson's percentage rose three points and Herman lost three when he got only one hit in four times at bat, while Rube dropped six points as he went hitless.

NANAIMO SOFTBALL

NANAIMO, June 11.—In a girls' softball match, the general sports grounds last evening the Plaza took the odd point from the C.G.I.T. 15-1. Jones and Kulak hit homers for the Plaza, and Gieselski hit heavy for the losers.

Batteries—Plaza: Jones and Meredith; C.G.I.T.: Bradshaw and Dagg.

In a men's softball Twilight League game the Galahads defeated South Wellington by the score of 9 to 4.

Batteries: South Wellington: Gilmore and Thomas; Galahads: Kilby and Watchorn.

knocked out Johnny Rako, who defeated Sharkey, and hammered to near helplessness Paulino Uscudun, who Sharkey refused to meet.

"Sharkey, to be outdone, unlimbered his proclamation to the American boxing public:

"This is the greatest fight of my life," he said. "I feel that the responsibility of retaining a title that has become traditional to America is placed on my shoulders and I promise I will do my utmost to win."

"Max Schmeling will find a true American fighter in him. He will find a man determined on victory and one who will not admit defeat until every last ounce of energy is exhausted in him."

"I have trained for this fight as never before. Max Schmeling will find a true American fighter in him. He will find a man determined on victory and one who will not admit defeat until every last ounce of energy is exhausted in him."

"This is not a fight between individuals. It is a battle of supremacy between the two formidable representatives of the world, the two of the greatest countries in the world. This is my view of the encounter."

"My country will not find me wanting."

John Buckley, the sailor's manager, was short and to the point. "We'll knock him out in five rounds. You can go to sleep on it," he said.

How Schmeling and Sharkey Will Measure Up Tonight

Semi-Finals Reached In Tennis Tournament

Favorites Continue to Reign Supreme in Titular Events at Kingston Street Club—Betty Harris Shows Brilliant Form

Yesterday's play in the Kingston Street Tennis Club championship tournament saw the quarter-finals played off in practically all the events, with all the favorites again coming through with wins. In the men's singles, Bob Schwenger, fourth ranking player in the club, worked his way to the semi-finals by disposing of Tommy Forbes, 6-2, 6-3. The score does not exactly tell a true story of the play, as a great many games went to deuce several times, and Schwenger had to play hard to win his points. Hocking won from Barnes and Cunningham defeated Renwick in the two other men's singles. Neither of the winners was extended.

The closest and most exciting match of the day was that between Betty and Margaret Harris. The former won the first set after a long session of hard, well-placed driving from the baseline by the score of 7-5. In the second set the eventual winner ran up a lead of 5-0, only to have her sister rally strongly to tie it up at five all. Betty then managed to win the next two games and with them the set and match.

Alexander and Perrin continued to show the good form when they defeated Harrison and Gelling in straight sets.

Today will see both semi-final matches in the men's singles take place. Hocking opposes Steve Jones, who is expected to give the present titleholder a good run for his money. In the other semi-final, Bobby Schwenger will face Gerald Cunningham. These should both be worth seeing.

Yesterday's results and today's schedule follow:

YESTERDAY'S RESULTS
Women's Singles
Miss K. Harris defeated Mrs. Baird, 6-1, 6-4.
Miss B. Harris defeated Miss M. Harris, 7-5, 7-6.

Women's Doubles
Miss Ewart and Miss M. Harris defeated Mrs. Gann and Miss Dixon, 6-1, 6-0.

Mixed Doubles
Miss Hickey and Huxtable defeated Miss Cameron and Leeming, 6-4, 6-1.
Miss Ewart and Forbes defeated Miss Severs and Prentice, 6-2, 6-4.
Miss B. Harris and Burgess defeated Miss Knapp and Watson, 6-2, 6-1.

Men's Singles
Schwenger defeated Forbes, 6-2, 6-3.
Cunningham defeated Renwick, 6-1, 6-2.
Hocking defeated Barnes, 6-0, 6-3.

Men's Doubles
Burgess and Hocking defeated Haig and Robertson, 6-1, 6-0.
Alexander and Perrin defeated Harrison and Gelling, 6-4, 6-2.
Goad and Prentice defeated Leeming and Renwick, 6-3, 6-1.

TODAY'S DRAW
4:30—Miss Bonavia plays Miss Cameron (consolation).
5:30—Miss Hickey and Huxtable play Miss Ewart and Forbes, Cunningham.

Colonist bowlers repeated their success of last week when they downed the Hudson Bay rink yesterday afternoon, 19-17, at the Burnside Lawn Bowling Club. Up section of the Victoria and District Softball League, by defeating the View Royals last night at the Oak Bay Park, 27-3.

The play-off was featured by the fine pitching of Eric Moir, the Y.M.I. "B" squad of ball players captured the first half championship of "B" section of the Victoria and District Softball League, by defeating the View Royals last night at the Oak Bay Park, 27-3.

SIXTY-FOUR WILL COMPETE FOR GOLF CUP

Hibben-Bone Trophy Competition Attracts Large Field at Uplands Club—Draw Announced

INITIAL ROUNDS TO END JUNE 21

Sixty-four golfers, the largest number in the history of the competition, will tee off in the Hibben-Bone Trophy play at the Uplands Golf Club, according to the draw announced yesterday by the secretary.

The first rounds of the tournament must be completed by Saturday, June 21.

The competition is based on knockout match play, and the difference of half the combined handicaps, expressed in holes, will be the allowance in each match. The first pair in the draw will make arrangements with their opponents regarding the time of play. The entrance fee is 50 cents for each competitor.

Cards showing the correct handicap may be obtained from the secretary. The draw follows:

GIBSON'S ESTATE WORTH \$25,000

NEW YORK, June 11.—Billy Gibson, manager of Gene Tunney and Benny Leonard, when both were champions of the ring, has an estate of only \$24,886.92, it was disclosed in Supreme Court. Justice Lundy yesterday signed an order of which the financial record was a part, confirming the findings of a sheriff's jury that Gibson is mentally incompetent.

Jim Davies Goes Fast Quarter in Handicap Event

VANCOUVER, June 11.—The fastest quarter-mile that has been recorded in British Columbia for many years was turned in by Jim Davies, former Canadian sprint champion, in a race at the weekly handicap meet of the Vancouver Bicycle Club at Brookside Point last night.

Davies, who completed the cinder circuit in twenty-nine seconds flat, to clip four-fifths of a second from his own previous record, which has stood since 1928. Davies goes to Victoria Friday to compete in The Victoria Colonist's ten-mile road race.

GERMAN CONTENDER TO MEET AMERICAN FOR HEAVY TITLE

Seventy Thousand Fans Expected to Pay \$700,000 to Watch Gladiators Battle at New York for Supremacy in Heavyweight Boxing Ranks—Good Weather Forecast

Boston Gob Reigns 9 to 5 Favorite to Win From Teuton

NEW YORK, June 11.—Caught in the fever grip of another heavyweight championship battle, New York fussed and spluttered all night, predicted and argued, bullied and fought for tickets—waited restlessly for Jack Sharkey's fifteen-round duel with Max Schmeling in the Yankee Stadium tomorrow night.

Not since the late Tex Rickard, master of the ballyhoo, chewed his long stogie, tilted his gay Fedora, swung his cane and manoeuvred heavyweight controversies into unprecedented financial success, has usually blasé Manhattan gone so far for a championship struggle. There wasn't a seat to be bought tonight in the \$13.65 and the \$5 sections of the huge ball park.

RINGSIDE SOLD OUT
The ringside benches were sold out solid as far back as sixty rows in some choice sections, and crowds were gathering around the stadium to head the seekers after the 22,000 pastebats that go on sale tomorrow morning at \$2.

From a mediocre start and ordinary interest, the international battle has mushroomed in the past few days in the biggest drawing card since Jack Dempsey, under Rickard's expert manipulation, fired the imagination of the faithful and drew them in swarms to the battlefields. Only the moderate scale of prices—from \$2 to \$26.25 tops—has prevented tomorrow's offering from scaling dizzy financial heights.

As it is, the gross gate seems certain to reach \$750,000, a record beaten only by Rickard with Dempsey in the featured gladiators' role. The crowd is expected to number 70,000. At much higher prices, Dempsey and Luis Firpo set the New York record for receipts at \$1,188,000 in 1923 and the man mauler's knockout of Sharkey in 1927 drew in \$1,083,000. Since then the "bake" has rarely topped the \$500,000 mark.

Around Madison Square Garden, the ticket agencies, speculators' stands, even in the barber shops, the bookies and wherever the men folk gathered, "Who do you like?" and "Where can I get a good seat?" were the main discussions of the day. Sharkey stock withstood nicely the bear.

GOV TALKS LOUD
"This fight is a cinch," he announced. "I never felt better. It won't even be close."

Schmeling, the lean, hard young "under dog," took to his knitting. He expects to see it with gloves at the proper time.

PHIL TAYLOR SHOOT'S FINE PRACTICE 18

Local Pro Turns in Splendid 72 Over Shaughnessy Heights in P.N.W. Open Workout

TOURNAMENT WILL START TOMORROW

VANCOUVER, June 11.—Low handicap amateur and outside professional golfers are working the Shaughnessy golf course over these days in preparation for the P.N.W. open, which is to be played there on Friday and Saturday, two rounds of eighteen holes each day.

Yesterday Walter Purser, of Inglewood, was around again, and is reported to have turned in a very good card.

Phil Taylor, pro at the Victoria Golf Club, was over yesterday, and shot the very next score of 72, going out in 36 and back in 36.

Phil and Dave Black played a four-some with Cecil Coville and Jack Hargrave, the latter pair, famous for their long tee shots, making a real match with the crack pros with the aid of a couple of blagues. Taylor will practice here the balance of the week.

The general opinion was expressed that it would take four rounds of 75 or a total of 300 to top the amateurs in the open event, while it was expected that four 78 or 312 would just about win for the pros.

HAPPY CHILDREN GO TO SUNSHINE CAMP

The first contingent of ten little girls and their mothers leaves today for the Sunshine Camp, situated on the side of Whiffen Spit. These are the youngest children who will

be at the camp this year, and each successive batch of children will be older than the last, as the Summer goes on. On the afternoon of June 18, there will be a special "at home" which will be attended by His Honor R. Randolph Bruce and Miss Margaret Mackenzie, Hon. Dr. S. F. Tolmie and Mrs. Tolmie and Mayor and Mrs. Herbert Anson.

NEWCOMER PLACED OPPOSITE DENNY

"What a Life" Is Based on Novel "The Dark Chapter"—Now Showing at Capitol

In Reginald Denny's latest starring talkie, "What a Man!" opening today at the Capitol Theatre, the leading feminine role is played by Miriam Seegar, a lovely blonde actress, whose rise in Hollywood has been spectacular. She made her stage debut at the age of thirteen, and deciding to go to New York, obtained small bits in musical productions until her big chance came. Learning that A. H. Woods, the Broadway producer, was casting for two companies of a stage play "Crime," Miss Seegar sought work with him. He promised her a role in the Chicago production, but she was intent on going abroad with the London company. So great was her eagerness that Mr. Woods finally consented to grant her wish; and Miss Seegar remained in England almost three years, playing stage and picture roles.

E. J. Rath wrote the popular novel, "The Dark Chapter," on which this amusing talkie is based. George J. Crone directed.

"SHOW BOAT" IS COLISEUM PICTURE

Harry Pollard Depicts How Heavy Drama Is Presented to River Yokeis.

Harry Pollard, director of Universal's super-talking picture, "Show Boat," featuring Laura La Plante, Joseph Schildkraut, Otis Harlan and others, which is coming to the Coliseum Theatre today, directed an echo version of "Uncle Tom's Cabin" recently.

After he completed Universal's \$2,000,000 production of "Uncle Tom's Cabin," Pollard started preparations to film Edna Ferber's best selling novel. And the first day of preparation he started filming a dramatic scene from "Uncle Tom's Cabin."

This version, however, was a broad burlesque and is a short sequence in "Show Boat" by which the temper of uneducated audiences is shown.

The supporting cast in "Show Boat" includes Alma Rubens, Emily Fitzroy, Elise Bartlett, Neely Edwards, Jane La Verne, Blanche Craig, Theodore Lorch and many others.

Love Frankly Discussed in Talking Version Now at Playhouse

"Nothing in the world that you own is as perfect as when you wanted it," George Barraud tells Mae Murray in "Peacock Alley" and tries throughout the all-talking Tiffany production showing today at the Playhouse Theatre to convince her that the ceremony of marriage is a noose and that, if they gave their love the benefit of clergy they would find themselves with their heads in a noose that would tighten and choke them as soon as they found they were together because they had to be!

"Peacock Alley," as written for Miss Murray by Carey Wilson, tells the story of Claire Tree, a very modern and sophisticated girl, who, however, is old-fashioned enough to believe in sanctified nuptial vows and who faces the choice of marriage without love or love without marriage. The action takes place mostly in a fashionable New York hotel, where the heroine finds herself entangled in a police net spread to put an end to the trafficking by women in the peacock alley foyer.

Thrilling Features Of Auto Races Shown at Columbia

Constructing special automobiles in which, despite high speed, wheels would photograph as turning forward, and the exact sense of speed attained could be photographed, was a queer technical problem in connection with William Haines' new Metro-Goldwyn-Mayer starring vehicle, "Speedway," coming to the Columbia Theatre.

Talking Picture at Dominion Presents Noted Actor in Novel Role

A hired guest is the innocent cause of all the fun and fuss that is found in "The Man From Blankley's," the John Barrymore all-talking comedy offered today by Warner Bros. at the Dominion Theatre.

Caterers in big cities in this country as well as in England, where the story of "The Man From Blankley's" is laid, stand ready to provide acceptable guests for any function at a price. This avoids embarrassing situations at times, when regrets deplete a party, or, as in this case, when the final guest list threatens to total thirteen.

But when a man, suspected of being the hired guest, arrives late, slightly tipsy and announces him-

The Story Behind the Play

By J. J. GELLER

"THE DANITES"

Mr. and Mrs. McKee Rankin in "The Danites"

When Jocelyn Miller arrived in London during the Spring of 1871, arrayed in high boots, cowboy shirt and a big sombrero perched on his head, he was somewhat of an intellectual curiosity to the English literary dilettantes. He could not, however, be dismissed as a freak, for had not the most reverential British critics called emphatic attention to his virile poetry and prose, which depicted the rough and ready Western frontier life in America? In particular, his "Songs of the Sierras" had been singled out for most favorable comment. They consisted of a series of vignettes written against a similar background.

Miller was liberally extolled for his contribution to the noble art of letters. Among his admirers was an actor who expressed a great appreciation for the "Songs of the Sierras." He eagerly requested permission to collaborate with the poet in combining into a play the first two sketches in that volume, "The First Woman in the Forks" and "The Last Man of the Mexican Camp." The motivating plot conceived itself with a reputed band of the "Tribe of Dan," who were said to be organized in the early history of the Mormons for the purpose of secret assassinations.

The astounding tales of these religious fanatics could not, but help come to Miller's ears and out of these almost unbelievable stories the poet conceived his sketches. With Miller's generous assistance the play was completed under the title of "First Families in the Sierras." Later the poet changed the title to "The Danites in the Sierras," since the drama treated of that dreaded order. The completion of a play does not necessarily imply its immediate acceptance for production and Miller's collaborator fruitfully hawked the play to almost every producer. The machinations of a few fanatics in the far off wild and woolly West were of no especial concern to the London stage impresario. "Speedway," coming to the Columbia Theatre.

The thrilling race scenes were filmed at the Indianapolis speed classic on the famous track located there, where Haines, Torrence and John Miljan raced in their special

Back in America Miller was wrapped up in poetry and the play passed from his mind until he received an inquiry from Kitty Blanchard, a popular actress in her day. It transpired that she had also read Miller's "Songs of the Sierras," and immediately recognized its high dramatic value, without the slightest knowledge of its London experience.

After securing permission from Miller, she turned over the printed version of the collected sketches and the first stage draft to Alexander Fitzgerald, a Philadelphia actor, who had demonstrated a natural facility for adapting stories into dialogue form for the stage. Two months of Fitzgerald's efforts resulted in a vastly improved manu-

Double Service in

Want Ads

You can telephone your answers as well as your classified advertisements to The Colonist.

Readers are often interested in Want Advertisements that do not carry the names or addresses of advertisers, but a Colonist box number. For the accommodation of those readers who find it inconvenient to write an answer, and to serve the advertiser better, we will take replies to Box Numbers over the telephone.

The Colonist service is available from 8 a.m. to 10 p.m., excepting Sundays. Phone 11.

EMBARRASSING MOMENTS

It was reported to the late Dr. McCosh, while president of Princeton University, that a party was being held in one of the dormitories "after hours." Thither the good doctor wended his way to investigate. To his knock at the door came the response: "Who's that?" "It's me," replied the doctor.

"Who's me?" came the query. "Dr. McCosh," answered the doctor.

"You're a liar; if it had been old Jimmie he would have said, 'It is I.' Go about your business!"

The good doctor said he did, on tiptoe, and refrained from telling the story for at least four years.

TWENTY-FOUR PICTURES WILL COME TO CITY

Canadian National Gallery
Selection Will Be Placed
on View at Provincial
Exhibition

LIST OF ARTISTS AND PICTURES

Announcement was made yesterday by Mr. W. H. Mearns, secretary of the British Columbia Agricultural Association, that twenty-four pictures from the National Gallery of Canada will be loaned to Victoria to show at the Provincial Exhibition at the Willows, August 18 to 23.

With Victoria becoming wider known as the home of a number of talented artists and many art lovers, the art section of the fair is one that has developed rapidly in recent years and one that has grown in its appeal. A number of works of Victoria artists have won admiration in previous years and have helped to make the art section popular. The fair management is to be congratulated on securing the loan exhibition, which will embrace some of the finest works of a number of Canada's best artists.

RESERVOIRS IN OKANAGAN GAIN

Water Conditions Are Reported to
Be Better Than Usual at This
Time of Year

Weather conditions in the Okanagan since the beginning of June, with the precipitation which has marked this year, has had the effect of conserving the water in the reservoirs for future use. Major J. C. McDonald, comptroller of water rights in the province, has just returned from a tour of the interior of the province, and brings the information that while the danger of running short of water in the Okanagan this year is by no means past, the situation today is that the reservoirs are increasing in their supply, rather than decreasing. This condition of affairs prevails through the interior in general, and is most gratifying in respect to the irrigation problems. Since June 1 there has been a period of general rains in the interior, so that it has not been necessary to use water for this purpose to date.

There was, in the vicinity of the Okanagan, less water in the hills this Spring than usual. The continued rains, however, have had the effect of mitigating the threat of drought, which was felt in connection with that district earlier in the year.

Mrs. Hoskinson—I have found out one thing about that Mrs. Newcome. Whoever she is, she has certainly never moved in good society.

Mr. Hoskinson—How do you know that?

Mrs. Hoskinson—She shakes hands as if she meant it.
